Diocese of Pennsylvania

153rd Annual Convention

Journal of Proceedings

On Monday, May 3, 1937, at 6.15 P. M., the Bishop of the Diocese entertained the Deputies to the Convention at a Dinner, which was followed by a Mass Meeting at 8.15 P. M., in the Church of The Holy Trinity, Philadelphia, when the Bishop read The Annual Address to the Convention (see Appendix A), and the Rev. G. P. T. Sargent, D.D., Rector of S. Bartholomew's Church, New York City, preached the sermon. The Offering for Missionary Work amounted to $189.24.

CHURCH OF THE HOLY TRINITY, PHILADELPHIA,
TUESDAY, MAY 4, 1937.

The Opening Service of the One Hundred and Fifty-third Annual Convention of the Protestant Episcopal Church in the Diocese of Pennsylvania was held as above at 9 A. M. by Resolution of the last Convention.

The Holy Communion was celebrated by the Rt. Rev. Francis Marion Taitt, S.T.D., LL.D., Bishop of the Diocese, assisted by the Rev. E. M. Jefferys, S.T.D., the Rev. H. R. Weir and the Rev. R. J. Morris. The Offering for Missionary Work amounted to $27.22.

The Convention was called to order by the Bishop at 10.10 A. M., and, a quorum being present, proceeded to business.

The Order of the Day being the election of a Secretary, the Rev. J. M. Niblo nominated

the Rev. Richard J. Morris

On motion, the nominations were closed and the President, having cast the ballot, declared Mr. Morris duly elected.

The Secretary appointed as Assistant Secretary

the Rev. John R. Huggins, Ph.D.

The Convention confirmed the appointment.

The Rev. J. M. Niblo presented the

REPORT OF THE COMMITTEE ON THE DISPATCH OF BUSINESS

which was adopted:

Your Committee presents herewith its suggested program for the dispatch of business during the Convention.

In order to expedite the order of business, your Committee suggests that all Reports be made by Title as far as possible. And all through the Convention Resolutions to discharge Committees from further consideration of the subject be omitted, it being understood that they are so discharged unless the Convention recommit the matter to their further consideration, or unless the work of the Committee is unfinished.

The Rev. C. H. Long presented the

REPORT OF THE COMMITTEE ON ARRANGEMENTS

which was adopted.

The Secretary read the Canon of Courtesy, as follows:

Canon II, Section VIII. Clergymen canonically resident in this Diocese, but not entitled to seats in the Convention, Clergymen of other Dioceses of this Church, Clergymen of other Churches in communion with this Church, Candidates for Holy Orders in the Protestant Episcopal Church, Wardens of Missions organized under the provision of the Canon on The Organization of Missions, and all persons holding any office of trust under this Convention, though not members, shall be admitted to the sittings in this Convention.

The Secretary read the Report:

The Secretary of the Convention reports

That during the past year he has fulfilled his duties as prescribed by the Constitution and Canons so far as possible.

That under date of March 1 he sent out the Calls and other Documents for the Annual Convention.

That on February 1 only 45 of the Annual Reports of the Parishes and Missions had been returned out of the 230 due, many of them being very incomplete. He would ask once more that the Report blank be completely filled out, as all the figures are required for the Report to the General Convention and are a permanent record of the whole activities of the Parishes and Missions. This is the Report of the Parish and not merely of the Accounting Warden.

That boxes for the Registration of the Clerical and Lay Deputies have been placed in the vestibules of the Church and all Deputies should register at once.

That the following is Unfinished Business from the Annual Convention of 1936:

(1) Report of the Diocesan Campaign Fund.
(2) Report by the Committee on Memorial to Bishop Garland.
(3) Report of the Committee on Rewriting Canon VII "On Funds."
(4) Report of the Committee on Safeguarding Finances.
(5) Report of the Committee on Amendments to the Constitution.
(6) Report of Committee on 150th Anniversary of Bishop White.
(7) Report of Committee on Status of Missions and Missionaries.
(8) Report of Committee on Suggested Form of Charter.

That the following Parishes have not sent in Certificates of Lay Deputies and therefore have no Lay Deputies in this Convention: Christ, Eddington; S. Peter, Great Valley; S. Asaph, Bala; Holy Innocents, Tacony; Good Shepherd, Kensington; S. John Chrysostom; S. Elisabeth, Philadelphia; S. Mary, Philadelphia.

That of the 47 Missions and Chapels entitled to Lay Representatives only 19 have sent in Certificates.

The Secretary reports further:

That the following Parishes have not sent in Parochial Reports for 1936: Calvary, Rockdale; Good Samaritan, Paoli; House of Prayer, Branchtown.

That the following Parishes have not paid the required Assessments for 1936: Atonement, Morton; Good Shepherd, Kensington; Christ, Franklinville; Covenant; S. Bartholomew, Wissinoming; S. James, Hestonville; Trinity, Ambler; S. Jude and The Nativity; S. John Free, Philadelphia; S. Thomas, Philadelphia.

The Rev. F. C. Hartshorne offered the following Resolution, which was adopted:

RESOLVED: That the right of Representation in this Convention of those Parishes which have not sent Parochial Reports, or have not paid their Assessments, be declared forfeited; but that they be invited to present to the Committee on Claims of Laity to Seats any facts which seem to them to justify a restoration of such rights of Representation; and, that the said Committee be instructed to consider such facts and make appropriate recommendations to the Convention; and, that meanwhile the Lay Representatives from said Parishes be invited to take their seats, but to refrain from participating in the proceedings until the Convention shall have restored the right of Representation of their Parishes.

The President appointed the following Committees:

Claims of the Clergy to Seats:
The Rev. George Copeland — The Rev. C. B. Dubell
The Rev. J. R. Logan

Claims of Laity to Seats:
Mr. C. L. Harper — Mr. J. L. Evans
Mr. W. M. Kalmey

THE COMMITTEE ON ELECTIONS presented the Report:

That in accord with Standing Order V, the Preliminary Ballot was sent out to 254 Clerical Deputies according to a list prepared by the Ecclesiastical Authority as entitled to vote and to the Rectors of the 139 Parishes in Union with the Convention (3 each) for the use of the Lay Deputies.

That from the 83 Preliminary Ballots returned, some of which were defective, the Official Ballot was prepared and sent to the Clerical Deputies and to the Lay Deputies whose election had been certified to the Secretary of the Convention under date of April 26th, and to the Secretary of the Convention.

That the Elections will be held in the usual manner in the Church House, the Clergy voting in the Assembly Room and the Lay Deputies in the room adjoining. The first Ballot will be taken at 1:45 P. M.

The Committee would report further that the following who were nominated on the Preliminary Ballot have withdrawn their names:

Deputy to the General Convention: Mr. G. W. Pepper.
Alternate Deputy to the General Convention: Mr. R. D. Brown.

For the Committee, RICHARD J. MORRIS, *Chairman.*

The Secretary reports further:

The Secretary would again call the attention of the Convention to the Assessments in connection with the Presiding Bishop, the General Convention and the Provincial Synod, based on the number of Clergy

canonically resident, amounting to $3,107 in the Triennium. The Diocese has 299 Clergy, 37 of whom live and some of whom work in other Dioceses, 47 living here who have no Diocesan Title, i. e. only 215 who are contributing to the work of the Church here. Should not this Convention request the General Convention to amend the General Canons for assessment only on those Clergy who are thus active.

This was referred to the Committee on Dispatch of Business (see p. 55).

The Secretary reported the Nominations for Officers to be filled by Elections, as certified by the Committee on Elections. (See below and pages 51-55.)

Additional Nominations being asked for, the following were nominated: *Deputy to the General Convention,* The Revs. J. M. Niblo, R. H. Tabb, Granville Taylor, Messrs. L. B. Runk, E. O. Coates, W. G. Price, C. S. Rockey. *Board of Diocesan Library,* Messrs. T. B. Clement, J. S. Hepburn. The following withdrew their names: Mr. R. S. Morris as Deputy to General Convention, and Mr. L. B. Runk as Alternate Deputy.

There being no further Nominations, on motion the Nominations were ordered closed where only a sufficient number had been nominated, and the Secretary was instructed to cast the Ballot for those thus nominated; which having been done, the President declared elected the following:

STANDING COMMITTEE: Messrs. W. P. Barba, W. H. DuBarry, Spencer Ervin, S. F. Houston, P. S. Williams.

MEMBERS OF THE EXECUTIVE COUNCIL: The Revs. J. M. Collins, R. T. Lyford, J. M. Niblo, W. N. Parker, L. W. Pitt, C. E. Snowden.

TRUSTEES OF THE FUND FOR ENDOWMENT OF EPISCOPATE: Messrs. J. A. Harris, Jr., Thomas Newhall, C. S. W. Packard, Charlton Yarnall.

DIRECTORS OF THE CHURCH FOUNDATION: The Revs. Franklin Joiner, D.D.; L. C. Washburn, S.T.D.; Messrs. E. B. McCarthy, R. A. Morgan, H. R. Robins (for 3 years); Mr. E. C. Bendere (for 1 year).

R. Miller, W. N. Parker, W. C. Pugh, B. J. Rudderow, J. W. B. Stewart, E. S. Thomas, H. A. Walton, J. O. Warfield, D.D.

TREASURER OF THE DIOCESE: Mr. A. V. Morton.

The following Resolutions were offered and referred to the Committee on Dispatch of Business:

By MR. L. B. RUNK:

RESOLVED, That the Committee on Dispatch of Business for the Convention of 1938 be requested to consider the desirability of arranging for those presenting Reports by Title to have five minutes for speaking in regard to the same. (See page 55.)

By THE REV. F. C. HARTSHORNE:

RESOLVED, That the Standing Committee be authorized to charge to the Convention Fund for the year 1938 and thereafter until otherwise directed by the Convention not more than $1,500 of the expenses of the Department of Publicity of the Executive Council. (See page 55.)

By THE REV. A. E. CLATTENBURG:

1. WHEREAS, That portion of The Bishop's Address which referred to his attitude of mind toward his Diocese and Clergy shows a loving spirit which all of us have recognized and felt.

BE IT RESOLVED, That this Diocese, conscious of all of God's blessings bestowed on its Missions, Parishes, people and clergy, hereby expresses to Him their thanks for, and appreciation of, all His mercies and kindnesses; and would add especially their words of gratitude for the years of loving service granted to our Bishop, Francis Marion Taitt; adding their fervent prayer and hope that the Diocese may have the opportunity to further weld itself together in peace and good-will as this end is fostered by the loving care of our Bishop.

2. WHEREAS, After laboring for Missions for 35 years I am more and more impressed with the fact that it is not the money you get for that cause which should be uppermost in the minds of the members of The Church, but rather what is being done, and what needs to be done; information leads to inspiration; therefore be it

RESOLVED, That this Convention places itself on record as being in favor of the Annual Presentation Service of The Lenten Offerings of our children and people, and would beseech the Authorities of this Diocese that for no reason whatsoever it be omitted in any year.

There are two Offerings received yearly which mean much to the Church, The Woman's United Thank Offering, and the Lenten Offering. Both offerings help by teaching as well as by giving. This Ascension Day the women of the Diocese assemble in this Church to present their Offering. They will have a Service, and speakers. The inspiration that will be given cannot be too highly estimated. It is at such meetings that souls are inspired to give themselves to the Mission of the Church.

Are we bold enough to think that our CHILDREN will automatically follow on, and do all that they can do, if they are denied this possibility of being inspired by the annual gathering together to offer praises and sacrifices unto the Lord, as a Diocesan unit?

By MR. R. C. BELLEVILLE:

WHEREAS, The Social Security Act excludes from its benefits all employees of the Church, and,

WHEREAS, The Church Pension Fund does provide comparable benefits for all ordained clergymen employed in the service of the Church but none for lay persons so employed, and,

WHEREAS, The Church Life Insurance Corporation does propose to offer to write a Layman's Retirement Contract based on a premium of from 6% to 10% of salary, one-half to be paid by the employing organization and one-half to be paid by deduction from the employee's salary;

THEREFORE BE IT RESOLVED, That the Diocese of Pennsylvania is directed to take out such Retirement Contracts on behalf of all its lay employees under sixty years of age, the premium on which shall be on the following scale: For those now or at future employment below the age of thirty-five, 6%; for those now or at future employment between the ages of thirty-five and forty-five, 8%; and for those now or at future employment between the ages of forty-five and sixty, 10% payable one-half by the Diocese of Pennsylvania, as hereinafter provided, and one-half by deduction from the salary of the employee; and

BE IT FURTHER RESOLVED, That the future budgets of the Funds from which such salaries are paid are hereby increased to accomplish this payment, but not to exceed in the aggregate $700.

BE IT FURTHER RESOLVED, That the establishment of retirement contracts for lay employees is commended to all Parishes, Missions and other Organizations of this Diocese whose said lay employees are deprived by law of the benefits of the Social Security Act. (See page 55.)

By THE REV. R. T. LYFORD:

RESOLVED, That the Deputies to the General Convention from this Diocese be requested to present to the General Convention, in the proper form, the following petition from the Diocese of Pennsylvania, namely:

That the Constitution of the General Convention be amended as follows:

That Article II, Section 4, be changed by repealing the last sentence thereof, beginning with the word "He," and ending with the word "Bishop," and substituting the following:

"He shall be eligible as Bishop, or Bishop Coadjutor of, or as Suffragan in, another Diocese, or he may be elected by the House of Bishops as a Missionary Bishop, but he shall not be eligible as Bishop or Bishop Coadjutor of the Diocese in which he is a Suffragan." (See page 46.)

The Secretary read a communication from the Secretary of the Province, concerning action at the General Convention of October, 1934, but no action was taken:

WHEREAS, In accordance with the action taken at the meeting of the House of Bishops, held in Davenport, the Chair appointed a Committee to consider and report on the subject of licensing Lay Readers to pass the Chalice in the administration of Holy Communion. The Committee appointed consisted of the Bishops of Michigan, Alabama and Los Angeles. The subject was considered by your Committee in the form of an amendment to Canon 26, entitled "Of Lay Readers" offered at the last General Convention and read as follows:

"At the request of a Parish Priest, acting with advice of his Vestry, the Bishop may license a Lay Reader to pass the Chalice in the administration of Holy Communion."

In the opinion of your Committee, this subject should receive much more general consideration before action is taken by the General Convention, and therefore offers the following resolution:

RESOLVED, That the proposed amendment aforesaid be referred to the Synods of the several Provinces, with the request that they give

this whole subject careful study and consideration and report their findings to the next General Convention.

The above matter was taken up by the Provincial Synod of Washington in its session in Wilmington last October. After some discussion it was determined that there was not sufficient time for a thorough discussion of the subject, and it was referred to the several Dioceses of the Province where it was thought there might be more time for proper consideration.

The Chair appointed Tellers as follows:

Clerical Vote: The Revs. F. W. Blatz, H. D. Butterfield, J. P. Cox, J. A. Cragg, L. E. Fifer, M. M. Garcia, M. B. Gurley, David Holmes, L. J. Sachs, J. S. Stephenson, Jr.

Parish Vote: Messrs. A. R. Day, J. G. Rommel, G. R. Miller, Jr., Bronte Greenwood, G. A. Spencer, H. H. D. Balbernie, E. H. Newell, Gerald Powell, G. C. Paul, Jr., J. A. Ewing, H. D. Hosbach, H. D. Syle.

THE COMMITTEE ON CHARTERS presented the REPORT:

The Committee on Charters has considered the application of The Rector, Church Wardens and Vestry of Christ Church, Media, for approval of amendments to their Charter providing for a change in the name of the corporation to "Christ Church, Media"; for enlarging the possible income that may be held by the corporation; and for a wider suffrage in the election of Vestrymen. Providing also for two changes in the By-Laws of the Parish.

The amended Charter has been approved by the Bishop, and the Standing Committee of the Diocese. The Committee on Charters concurs therein and recommends that the application be approved by the Convention and offers the following Resolution:

RESOLVED, That the amended Charter of Christ Church, Media, be approved by the Convention of the Diocese.

The Resolution was adopted.

The Committee on Charters has considered the petition of The Rector, Church Wardens and Vestrymen of St. Mary's Church, Hamilton Village, and the Church Wardens and Vestrymen of St. Philip's Church, West Philadelphia, for permission to consolidate their parishes under a New Charter with the title St. Mary's Church, Hamilton Village.

The proposed Charter conforms to the requirements of the Constitution and Canons of the Diocese, and to the requirements of the new provision of the state law.

It has been approved by the Bishop, and by the Standing Committee, and the Committee on Charters concurs therein and recommends that it be approved by the Convention, and offers the following Resolution:

RESOLVED, That the new charter of St. Mary's Church, Hamilton Village, be approved by the Convention of the Diocese.

The Resolution was adopted.

The Committee on Charters desires to present by Title its Report on "The Proposed Model Charter for Parishes."

This revision endeavors to bring the Model Charter into agreement with the provisions of the Act of General Assembly of the Commonwealth of Pennsylvania, known as the "Nonprofit Corporation Law."

The proposed Model Charter has been approved by the Chancellor of the Diocese. Its important legal features have been reviewed by State Officials at Harrisburg. It has been approved by the Bishop, by the Standing Committee and by the Committee on Charters.

The Committee on Charters is indebted to Mr. Sanford D. Beecher, of the Chancellor's Office, for his patient and thoughtful work in the preparation of the drafts for consideration of the Committee. While Mr. Beecher is not a member of this Convention, he is willing on your invitation to answer questions.

The Committee on Charters offered the following Resolution, which was adopted:

RESOLVED, That the Convention approve of the form of Model Charter herewith presented. (See Appendix L, page 328.)

Mr. G. B. Hawkes offered the following Amendments, which were accepted by the Committee on Charters:

In the new form of Charter amend Article 7, Section 2, by inserting after the word "services" the words "by it maintained." Amend Article 9, Section 2, by inserting after the word "purpose" the words: "and also of a majority of the lay members of the corporation present and voting at a meeting called for the purpose." And by adding at end of Section the words: "but grants of other real estate or the imposition of charges thereon may be made by the consent of a majority of the whole Vestry at a meeting called for the purpose."

The Rev. F. C. Hartshorne presented the

2. Resolved: That the Treasurer of the Diocese be discharged from further responsibility for the collection of arrears in Assessments for the Sustentation Fund for the years 1934 and 1935.

3. Resolved: That the Commission on Clerical Salaries and the Executive Council be directed to consider the problem of providing for aged Deaconesses and for disabled Clergymen not adequately covered by the Church Pension Fund, and that they be authorized to put in operation a plan for the same provided it does not call for any increase in the Diocesan Assessments.

Mr. S. F. Houston offered the following Resolution, which was adopted:

This Convention, being informed that two of its Deputies to the General Convention of 1934 were recorded as "not present" in the Convention Journal, respectfully request General Convention to consider some means whereby such omission may hereafter be prevented.

2. Amend Canon IV, Section I, Paragraph 4, so that it shall read:

"Except as may be otherwise provided in these Canons, any vacancy due to the failure of any Annual Convention to elect, or occurring from any other cause during the recess of the Convention in any office or position to which the Convention elects, shall be filled by the Standing Committee until the next Annual Convention."

"5. Every Parish shall safeguard its securities.

Amend Canon XVI, Section I, by adding the following paragraphs:

"4. Every Parish shall protect its current funds by arranging for the bonding, in such amounts as the Vestry may decide, of all persons handling $3,000 or more of such funds in any one year.

Commemorations of Great Events Are Held

In 1937, no less than in 1936, there were Commemorations of great events in the history of our Church and Nation. As the Colonies became an independent Nation, the Church felt that it wanted what belonged to every independent Nation—an independent branch of the Catholic Church. This our Mother Church magnanimously granted to us, when on February 4, 1787, Archbishop Moore, of Canterbury, and Archbishop Markham, of York, and attendant Bishops, laid their hands on William White, of Philadelphia, and Samuel Provoost, of New York, and duly Consecrated them to the Episcopate.

The 150th Anniversary of this was duly celebrated both in Philadelphia and in New York. In New York a great service was held in St. Paul's Chapel, when a notable sermon was preached by a Presbyter of this Diocese, the Rev. Dr. Leicester C. Lewis, and an address made by the Bishop of New York.

At 11 A. M. in St. Peter's Church, Philadelphia, the Presiding Bishop was Celebrant and the sermon was preached by the Bishop of the Diocese. Addresses were also made at a luncheon in St. James's Parish Building and by the Chancellor of the Diocese at a dinner in the Hall of the American Philosophical Society. At night in Old Christ Church a notable and brilliant service was held with addresses by the Presiding Bishop and by the Bishop of New York. A memorable address was also made by the President of the Church Historical Society, the Rev. Walter Herbert Stowe. At this service the Bishop of New York presented to our Diocese Bishop White's cane and photograph. The cane brought back memories of my early connection with St. Peter's Church. The

Convocational System had just been adopted and the first public service of the Southeastern Convocation was held in Old St. Peter's Church. Mr. John Welsh, our former Minister to England, was asked to give a paper reminiscent of his early days at St. Peter's and his memories of Bishop White. He spoke of the simplicity of our great Presiding Bishop. He said, "I have often seen him come into the Church from the street; and putting his cane in the corner of the Chancel, and his hat on the Communion table, seat himself in the Episcopal Chair.

" 'And there with mild and unaffected grace
His looks adorned the venerable place.' "

Early next morning Mr. Davies, the Rector came into the Vestryroom and said, "I have had a great time this morning. Willie Bronson came over in great excitement and asked that the passage be deleted. 'I am sure,' he said, 'that Grandpa would never do such a thing.' So I went to see Mr. Welsh, who said, 'If that disturbs Mr. Bronson, I will cut it out; but I have seen him do it many times.' "

The addresses at these anniversary services will be published in book form and are worthy of careful reading.

Anniversaries Held In Various Parishes

This was a great year for the celebration of anniversaries in various Parishes. At many of these I was present and either preached or made an address.

On May 15th, Advent Church, Kennett Square, celebrated its 50th anniversary with a large Parish dinner at which I was present and addressed the gathering.

On May 16th, Burd School celebrated its 80th anniversary by beautiful tableaux illustrating the Burd

family and early history of Philadelphia. It was a joy to be present and make the address.

On May 17th, St. Paul's Church, Elkins Park, celebrated its 75th anniversary with a very large congregation. I was glad to preach the sermon.

On June 10th, St. Barnabas, Kensington, had its 50th anniversary, at which I was the preacher.

On June 11th, St. Barnabas, Haddington, celebrated its 65th anniversary with a large Parish dinner at which I made an address.

On September 26th, Holy Communion Chapel, Philadelphia, celebrated its 50th anniversary at which I was unable to be present.

On October 4th, I preached the 100th anniversary sermon at Emmanuel, Kensington.

On October 7th, St. Simeon's Church celebrated its 50th anniversary.

On October 11th, I preached the sermon at the beginning of a celebration commemorating the 100th anniversary of St. Andrew's Church, Yardley.

On October 18th, I preached the sermon on the 125th anniversary of St. Luke's, Germantown.

On the afternoon of the same day I preached the 50th anniversary sermon at Holy Trinity, Lansdale.

On October 25th, I preached the 75th anniversary sermon at St. Luke's, Bustleton.

On November 2nd, I made an address at the 47th anniversary of All Saints, Norristown.

On November 22nd, I preached at the 85th anniversary of the Granting of the Charter of the Church of The Saviour, Philadelphia.

On the same day, St. Stephen's, Wissahickon, celebrated its 50th anniversary, but I was unable to be present.

On November 29th, I preached at the 50th anniver-

sary of the Church of The Advocate, Philadelphia, the Church in which I was Consecrated.

On November 6th, I made an address at the 25th anniversary of the Rectorship of the Rev. C. Herbert Reese at St. Matthew's Church, Philadelphia.

Five new Rectors were Instituted in their Parishes and we have reason to believe that each is a distinct addition to the strength of the Diocese.

On September 30th, I Instituted the Rev. J. Perry Cox as Rector of St. Paul's Memorial Church, Philadelphia.

On October 11th, I Instituted the Rev. David Holmes as Rector of St. Andrew's Church, West Philadelphia.

On November 11th, I Instituted the Rev. Harvey D. Butterfield as Rector of Christ Church, Media.

On January 1st, I Instituted the Rev. John Q. Martin as Rector of Calvary Church, West Philadelphia.

On February 28th, I Instituted the Rev. William B. Stimson as Rector of St. Mary's Church, Hamilton Village.

There were some notable gifts to Parishes:

Some Notable Gifts Made to Parishes

Christ Church, Upper Merion, received $5,000 for the Endowment Fund, in memory of Mrs. Ella H. Potts.

St. Stephen's Church, Clifton Heights, received $1,000 for an organ in memory of John David Steitz.

Calvary, Conshohocken, received $5,000 for the Endowment Fund in memory of Miss Mary Clark.

Church of Our Saviour, Jenkintown, received $20,000 from the John W. Pepper Estate.

St. John's Church, Lansdowne, has received pledges to reduce its mortgage $18,000.

On May 29th, I dedicated a new Altar in Advent Polish Church.

On June 7th, I dedicated twelve memorial windows in St. John The Evangelist Church, Philadelphia.

On June 21st, in Calvary Church, Rockdale, I dedicated a tablet in memory of Horace S. Griffith, a very old member. On that occasion the family gave the Church a sum sufficient to pay off all its debt.

On January 25th, at Christ Church, Eddington, I dedicated a Chapel and blessed a Parish House.

On March 26th, in Holy Innocents Church, Tacony, I dedicated a new memorial Altar and Reredos; Altar Cross, Altar Desk, Alms Bason and two Chancel Lanterns. On that occasion I preached my 21st consecutive Good Friday sermon in that Church.

We have many Parishes with considerable endowments. If it were not for this income, they could not be conducted as they are. We have certain Institutions in like situation.

Notes Decrease in Purchasing Power of Endowments

Endowments are not intended to excuse giving, but to supplement it. There is nothing certain in this world. Endowments may be lost or the income greatly curtailed, or living conditions become so much more expensive that their purchasing power is less.

This last condition has been emphasized in the past few years and bids fair to be increasingly so in the near future.

Christ Church Hospital apparently had an ample endowment. It built a handsome and commodious Home near Bala. It now has accommodation for twice the size of its family, but not enough income to support that number. Increased endowments or gifts for support would greatly increase its usefulness.

The House of Rest for the Aged is doing a splendid work, but it is handicapped for funds. Its buildings are too small to accommodate those who seek its shelter, and it has not the wherewithal to enlarge.

These are but samples of nearly all of our Institutions. An effort is being made to consolidate some of our Homes. It is believed that we thus would be able to lessen the overhead expenses. The Cathedral Trustees have offered these Institutions part of its ground at cost price.

Revival of Annual Offering for Christmas Fund Urged

For many years an Annual Offering was made at Christmas for the aged Clergy and their widows and daughters. These offerings have greatly decreased. In 1920 the offering was $5,000. In 1935 only two Churches contributed, and the amount was $300. Last year the amount was but $270. Because we have a Pension Fund some feel that there is no need of the Christmas Fund. We have many widows and dependent daughters who do not share in the Pension Fund. This Fund was established in 1917. A small amount is paid to those who were Ordained before that time. I believe nothing is given to the families of Clergy who died before that time.

We have the most pitiful notes from widows and daughters who tell us that what they get from the Christmas Fund is all they have for subsistence. We can only give them between $200 and $300 a year. The number of beneficiaries has greatly increased and the income diminished so that the amount each receives becomes smaller each year. Will not the Churches again take up the Christmas Offering for this purpose and relieve this awful condition?

At confirmation an offering is made in each Parish for the Bishop's Discretionary Fund. Some Parishes do not send us the offering and many of the offerings are very small. From our 230 Parishes and Missions 156 the year before last gave $3,760. Last year 165 Parishes and Missions gave only $3,332.

The Bishop's Discretionary Fund

Sometimes the offering is announced as "The Bishop's Fund," which is rather embarrassing, as it sounds as though the Bishop were asking for himself. Sometimes, no announcement is made. There are many calls made upon the Bishop. Sometimes a Clergyman is distressed and sometimes a Parish is in distress. Sickness will come and it may be necessary to send a Clergyman away for awhile and neither the Clergyman nor his Parish has the funds. In many of our Missions no provision is made for a vacation, so necessary both to Priest and people. I feel quite sure that many of our Parishes do not take the offering seriously.

Appeals on Behalf of The Philadelphia Divinity School

I want to give to the Philadelphia Divinity School more than a passing notice. It is very near to my heart, not only as being my Alma Mater, but because of its history and its possibilities. It was one of the Institutions of that great master-builder, Alonzo Potter, and as our Episcopal Hospital is a great monument to his care and thoughtfulness for the human body, and today is one of the finest hospitals in the world, so the Philadelphia Divinity School is a great monument to his thoughtfulness and care for the human soul.

The Clergy who care for human souls ought to be carefully trained in "the truth as it is in Jesus." We do not want an ignorant Ministry. The Christian Religion is a revelation and was not devised by human

intellect. The pulpit is not a forum for all kinds of ideas that may occur to the human mind, but a place where Christ may be held up for worship and imitation. How tremendously interested our laymen should be in the training school for our Pastors. The great Ember hymn should be sung not only at Ordinations, but also form part of our family worship.

"Lord pour thy Spirit from on high,
And thine Ordain'd servants bless;
Graces and gifts to each supply,
And clothe thy priests with righteousness.

"Within thy temple when they stand,
To teach the truth as taught by thee,
Saviour, like stars in thy right hand,
Let all thy Church's pastors be.

"Wisdom, and zeal, and faith impart.
Firmness and meekness from above,
To bear thy people in their heart,
And love the souls whom thou dost love."

Three Things That Commend Divinity School

The Philadelphia Divinity School ought always to be in our thought and prayers. There are three things that commend the School to us:

1.—Its past history. On its Faculty we have had and have some of the strongest men in our Church. George Emlen Hare, I believe, was the first Instructor. I can personally bear witness to his learning and teaching ability. Dr. Daniel R. Goodwin was Dean in my day. At Bowdoin College he was a classmate of Longfellow. Many years ago I was in New England and met a Congregational preacher who, hearing that I was from Philadelphia, said: "An old classmate of mine is in Philadelphia. At college he stood head and shoulders above everyone there. His name

was Daniel R. Goodwin." "Yes," I replied, "and he stands head and shoulders above everyone now." Dr. Edward T. Bartlett followed Dr. Goodwin and had a distinguished career. He was thoughtful and loving. His writings were worthy and he won the affection of the School. William Mansfield Groton, another Dean, was a great scholar and a preacher of marked ability. George Griffiths Bartlett, son of Edward T. Bartlett, succeeded as Dean and during his time the Philadelphia Divinity School was removed to its present site and greatly enlarged its outlook and prospects. We now have a "native son" as Dean. Allen Evans was born in the Diocese and here members of his family still reside. He is most active in working for the School and we all feel that he is the man who can make it a success. Then we have a noble Alumni body that does not shrink in comparison with other Divinity Schools.

2.—We have more than a million dollars' worth of property, splendidly adapted to our work. With such an asset we ought to be inspired to work and give.

3.—We have a Dean in the prime of life, full of enthusiasm and ideas and who hopes to make the Seminary fulfil a long-felt want. To bring God to man, we must know God and we must know man. By theological studies and the Christian atmosphere, we are seeking to know God. How many Clergymen, however, do not know man. This School will seek to develop the intellectual and spiritual in the student and then, in two months of what is usually vacation, will give experience in dealing with men in Institutional and Parish life. The Dean has many plans which are admirable, but which cannot be spoken of now. I bespeak for him your full sympathy and co-operation. I hope that every individual will desire

to give an annual contribution to the School, and that every Rector will arrange to have an Annual Offering for Theological Education. The location of the Philadelphia Divinity School has many advantages, and the fact that when it was established all Pennsylvania was one Diocese, ought to bring to us the active co-operation of all five Dioceses that now are in the State. No city affords greater opportunity than Philadelphia for development in every department of life nor furnishes a finer example of devotion to God.

The American Church Building Fund Commission

In October, 1880, the General Convention established the American Church Building Fund Commission. The original idea was to secure a fund of $1,000,000 by asking each communicant to contribute $5. This method failed as it seems impossible to get everyone to do any one thing. However, the Permanent Fund now amounts to $804,801 and in all these years a noble work has been done. The following has been received:

"New York, April 19, 1937.

"TO THE CHURCH IN THE DIOCESE OF PENNSYLVANIA, GREETINGS:

"During its years of service to the Church, the Church Building Fund has assisted the Diocese of Pennsylvania in the building projects of its Parishes and Missions with four Loans totalling $36,500, and with two Gifts totalling $2,000, and is still sympathetic. This is not a boast. It simply registers gratification that these opportunities have been presented to us to lift the burdens of congregations when other financial resources have failed, and building projects have been threatened with failure.

"In these operations of the Fund stakes have been strengthened and cords lengthened to the benefit of both the Diocese and the Church at large.

"We present to you a reciprocal opportunity to aid us in doing for other Dioceses what we have been able to do for the Diocese of Pennsylvania. Parishes and Missions which have had Gifts from us should make their annual offering, as promised, on Building Fund Sunday, the second in November. This is fundamental. Only one of the two who have received Gifts from us have kept their promise during the past year. To other units in your Diocese we leave this presentation at the door of opportunity which we have been permitted to open through the courtesy of your Bishop.

"THE AMERICAN CHURCH BUILDING FUND COMMISSION."

Reviews Amazing Amount of Volunteer Service Given in Diocese

The amount of volunteer service in the Diocese is amazing. We have six Convocations, each larger than many Dioceses. Over each of these is a Dean, whose work is almost that of a Missionary Bishop. This work is freely given. Each has in addition a *full man's work* in his Parish, Farm School or Seamen's Church Institute.

We have a Chancellor whose legal advice and service are freely given to the great benefit of both Bishop and Diocese.

We have a Standing Committee of rare ability and whose advice is always at the disposal of the Bishop.

Our Department of Religious Education constantly studies the educational problems and by largely attended courses imparts its knowledge to the teachers of the Church Schools.

Our Department of Christian Social Service, under

the able leadership of Mr. Clinton Rogers Woodruff, has done a fine piece of work.

The Department of Property, under Mr. Lardner Howell, is most valuable.

The Church Foundation holds, invests and distributes the income from considerably more than $1,000,000 worth of securities.

The Department of Finance seeks to apportion and to gather in the large sums of money for Diocesan as well as General Missionary work.

Nearly every day considerable numbers of business men of the highest ability spend hours at the Church House devising for the Kingdom of God.

The Missionary Research Committee did a magnificent work in the past year and is planning a great work before and during the General Convention.

There are many other very important Departments.

The Woman's Auxiliary is one of the very heartening agencies in the Diocese. Nothing is impossible with them.

Commends Dept. of Church Music in "The Church News"

The Department of Church Music is making itself felt in the Diocese. A vast improvement in Church Music is apparent, especially in volunteer choirs. Mr. Harold W. Gilbert, one of the Committee, edits the page for the Department of Church Music in our CHURCH NEWS, and I receive enthusiastic commendations of this Department from different parts of the country. The Rev. John W. Norris, another member of the Commission, has charge of the Church Music Department in *The Living Church*. I wish that at least a small financial provision could be made for this department, for it seems hardly fair that all its expenses should be met by its members.

The Diocesan Altar Guild does its work quietly but most effectively, supplying Missions both within the Diocese and throughout the Church at large with all things for a decent and orderly administration of the Holy Communion.

The Cathedral is near the heart of many of our people. It is desirable that annual subscriptions, large and small, be secured so that taxes may be paid and a sum accumulated for the prosecution of the work. Henry Avenue is nearly completed to Cathedral Circle, and permission has been obtained and plans and specifications have been completed for the Crypt under the Choir. Three services are held every Sunday in the Chapel, the first unit of the Cathedral.

The Episcopal Academy is still seeking $150,000 to commemorate its 150 years of service. It is a great honor to our Church and should receive its financial aid. It has an enviable record in the greatest colleges of our country.

The Bishop has given permission and approval for a branch of "The Mothers' Union" to be started in the Diocese of Pennsylvania. This Society, which is fully organized in England, Australia, New Zealand, Canada and South Africa, in India and all British possessions, has a membership of over 590,000 women, and has for sixty years of its existence been a means for upholding the sanctity of married life and the preserving of Christian homes throughout the Anglican Church. The Mothers' Union was started in 1876 in the English Diocese of Winchester, and was for the wives and mothers living in the village. In 1886 it became a Diocesan organization and rapidly spread to the other Dioceses in England. In 1896 the Central

Approves Organization in Diocese of Branch of "Mothers' Union"

Council of the Mothers' Union was formed. Since that time the Union has spread in all lands under the Church of England. It is reported actively operating also in China, Japan, Korea, Persia, Madagascar and other countries. Its objectives are:

1. To uphold the Sanctity of Marriage.
2. To awaken in all Mothers a sense of their great responsibility in the training of their boys and girls.
3. To organize in every place a band of Mothers who will unite in prayer and seek by their own example to lead their families in purity and holiness of life.

Notable Revival of Missionary Interest Is Noted

The past year was a very happy one. The outlook of the National Council was very dark. We asked the loan of some of its staff to inspire and strengthen our Diocese. They sent us some fine men. Each Convocation met weekly for three weeks, then we had our great gathering at the Academy of Music, with an overflow meeting that crowded St. Mark's Church and at least one thousand were turned away.

Some asked, "What good did it do?" It is hard to answer such a question, but I can only say that we gave to Missions $22,700 more than we gave the year before and I am quite sure that the very presence of Bishop Rowe and Dr. Grafton Burke was an inspiration. The magnificent address of Bishop Manning reached many hearts. The meeting was the talk of thousands of Church men and women for many weeks.

This year we are promising a very much larger sum for Missions and we hope to reach our goal. We are planning a great Drama of Missions which we hope will thrill the whole Diocese and later enthuse the whole Church when it is presented at the General

Convention. All of our Mission Fields are represented, that our people may know what the Church is really doing.

The great purpose of the Church is to bring the world to Christ. No Parish or Diocese should be satisfied with only work within its borders. Its Commission is "Go." This command has always had a response in this Diocese. Men have freely enlisted and given themselves to the work. Those possessed of this world's goods have freely given, that others may be sent. No cry of the Church has gone by unheeded. I pray that it may always be so. "For the soul that gives, is the soul that lives."

Thanks God for Happy Relations Existing Throughout Diocese

I feel devoutly thankful for my bountiful health. In the nearly eight years of my Episcopate I have only missed two engagements on account of sickness and the sickness was very slight. I had thought at my Consecration that when I reached my seventy-fifth birthday I would probably reach the limit of my physical ability. However, at the present time I am feeling in perfect health and have not reached some of my desired objectives. When I feel unequal to the task, I will not hesitate to ask for assistance, which, I am sure, will be willingly granted. I thank God for the happy relations existing between Bishop and Clergy and the happy relations of Clergy one with another. There are few Dioceses where there is such a body of educated, efficient, sympathetic and hard-working Clergy. There are fewer Dioceses where there is such a "Diocesan Consciousness." There are a few, but very few, Parishes that are simply "Parochial-minded." I trust the time will come when there will be none. We have all varieties of Churchmanship, but no animosities. High and low

Churchmen exchange pulpits and are elected to various offices and committees, irrespective of Churchmanship. We worship one Lord and Saviour and instead of fighting each other, all combine against the Common Enemy.

As we gather together tomorrow, let us not forget our great purpose. May the prayer of each be that of Saul of Tarsus, "Lord what wilt thou have me to do?" as he looked up to Jesus, whom he was in ignorance persecuting; now desiring only to know His will that he might yield his whole life to His service. As someone has said, "There is more true religion in half an hour's questioning, 'What wilt thou have me to do?' than in a whole lifetime of asking, 'What wilt thou do for me?'" May our search be to know the will of God and then may all our powers be directed in doing it.

MEMORIAL NOTICES

Of Bishops of the Church:

ALBION WILLIAMSON KNIGHT, Retired Bishop Coadjutor of New Jersey, died in Jacksonville, Florida, on June 9, 1936, in the seventy-seventh year of his age. He was born in White Springs, Florida, on August 24, 1859, and prepared for his Ministry at the University of the South, being made Deacon in 1881 and ordained to the Priesthood in 1883. His early Ministry was in Florida, serving as Missionary from 1881 to 1884, at Saint Mark's Church, Palatka, from 1884 to 1886, at Saint Andrew's Church, Jacksonville, from 1886 to 1893, and as Deputy to the General Convention in 1889 and 1892. In 1893 he became Dean of Saint Philip's Cathedral, Atlanta, Georgia, where he remained until 1904, serving also as Deputy to the General Convention during that time. On December 21, 1904, he was consecrated First Missionary Bishop of Cuba by Bishops Tuttle, Weed and Sessums, acting until 1913, and serving also in the District of Panama from 1908 to 1920. In 1923 he became Bishop Coadjutor of New Jersey, retiring on account of ill health last November. He was a Trustee of the University of the South from 1893 to 1904 and Vice-Chancellor and President from 1914 to 1922. Interested always in missionary work, he spent much of his time and energy for the many Missions which were under his jurisdiction.

ARTHUR SELDEN LLOYD, Senior Suffragan Bishop of New York, died at Darien, Connecticut, on July 22, 1936, in the eightieth year of his age. He was born in Alexandria, Virginia, on May 3, 1857, attending the University of Virginia for two years and graduating from the Virginia Theological Seminary in 1880, when he was made Deacon and ordained to the Priesthood the year following. From 1880 to 1884 he was Minister-in-Charge of Bishop Johns' Memorial Church at Farmville, Virginia, accepting a call as Rector of Saint Luke's Church, Norfolk, in 1885. In 1900 he began what has been

called his "great life-work," when he was elected General Secretary of the Domestic and Foreign Missionary Society of the Church, making a trip to Europe and the Orient for intensive study of the problems connected therewith in 1906. He declined elections as Bishop of Mississippi in 1903, as Bishop of Kentucky in 1904, as Bishop Coadjutor of Southern Virginia in 1905 and as Bishop Coadjutor of Maryland in 1908. On October 20, 1909, he was consecrated Bishop Coadjutor of Virginia by Bishops Tuttle, Peterkin and Randolph. A year later he accepted the position of President of the Board of Missions of the Church and became Editor of *The Spirit of Missions*, where he served until 1920, when he became Rector of Saint Bartholomew's Church, White Plains, New York, and Bishop Suffragan of the Diocese on May 21, 1921. Although so much of his Ministry was not in parish life, he was always a pastor. Combined with his intense love of souls, he evidenced high gifts as an able administrator and a kindly, sympathetic friend, and has been well called "one of the great Missionary Bishops of all ages." To him the Church was pre-eminently a Missionary Society and its members Missionaries. The importance of his influence in spreading the Gospel throughout the world cannot be over-emphasized.

THOMAS FREDERICK DAVIES, Second Bishop of Western Massachusetts, died at his summer home in Lennox on August 25, 1936, aged sixty-four years, from a heart condition which had existed for several years. He was born in Philadelphia at the Rectory of Saint Peter's Church on July 20, 1872, receiving his early education at the Episcopal Academy, graduating from Yale University in 1894 and from the General Theological Seminary in 1897. He was made Deacon that same year and ordained to the Priesthood the year following by his father, the Bishop of Michigan. From 1897 to 1900 he was Assistant Minister at the Church of The Incarnation, New York City, when he accepted a call as Rector at Christ Church, Norwich, Connecticut. He remained there for two

years, when he became Rector of All Saints Church, Worcester, Massachusetts, until his election as Bishop in 1918. During this time he refused a call as Rector of Saint Peter's Church in this Diocese. He was consecrated Bishop on October 18, 1911, by Bishops Tuttle, Lawrence and Brewster. Of a quiet and retiring disposition, he nevertheless was sent as Deputy to the General Convention three times and later served on several important committees in the House of Bishops, attending also the Lambeth Conference in 1930. Essentially a scholar in his tastes, he made many friends, especially among the younger people, by his lovableness and simplicity and sincerity. Always interested in the Missionary work of the Church, he was active also in many civic matters of the community.

HENRY DAMEREL AVES, Retired Bishop of the Missionary District of Mexico, died in the Hospital at Houston, Texas, on September 20, 1936, in the eighty-third year of his age. He was born in Huron County, Ohio, on July 10, 1853, graduating from Kenyon College in 1878. For two years he practiced law, when he decided to study for Holy Orders and entered Bexley Hall. He was made Deacon in 1883 and ordained the year following to the Priesthood by Bishop Bedell. For two years he served at Saint Paul's Church, Mount Vernon, Ohio, becoming Rector of Saint John's Church, Cleveland, in 1885. In 1892 he accepted a call to Christ Church, Houston, Texas, where he remained for eight years. On December 14, 1904, he was consecrated Bishop by Bishops Garrett, Johnston and Sessums and went to Mexico in an endeavor to collect and strengthen the scattered congregations in that disrupted country of so many revolutions. The Mexicans had petitioned for Episcopal oversight in 1853, 1861 and in 1874. A Bishop had been consecrated in 1879, who had to resign five years later. Bishop Aves' work was most difficult, but he managed to establish some order and great advance, although at one time he was marooned in his house for a year.

In 1923 he was forced to resign after a very severe attack of typhoid fever at the age of seventy years, since which time he had been residing at Seabrook, Texas.

From 1877 to 1885 he was Curate at the Church of The Ascension, Baltimore, and in charge of All Saints' Church, when he accepted a call as Rector of Trinity Church, Portsmouth, Virginia. In 1890 he became Rector of Christ Church, Macon, Georgia, serving as Secretary of the Convention from 1891 to 1903, a member of the Standing Committee and Deputy to the General Convention from 1892 to 1904. In 1903 he went to Christ Church, Nashville, Tennessee, as Rector, and was consecrated Bishop of Georgia on May 20, 1908, by Bishops Nelson, Weed and Gailor. Always prominent in Church affairs he served as Vice-Chairman of the House of Bishops in 1931 and 1934, and as a Trustee of the University of the South from 1903 to 1908, when he was elected ex-officio.

The Standing Committee had an inventory and appraisal made of all personal property now in the Bishop's House, 251 South Twenty-second Street. An unsatisfactory offer for the Bishop's House was declined.

Consent to the sale of the property, 2308 Spruce Street, Philadelphia, owned by St. Mary's Church, Hamilton Village, was given.

Consent to the approval of obtaining permission of the Court to sell the property at 1024-26 Christian Street, known formerly as the Church of L'Emmanuello, was given.

The Standing Committee approved the proposed new charter of Christ Church, Media.

On Monday evening, January 4th, a dinner was held at the Penn Athletic Club at 7 o'clock under the auspices of the Standing Committee to celebrate the seventy-fifth birthday of the Bishop of Pennsylvania, the Rt. Rev. Francis Marion Taitt, S.T.D., L.L.D. The Rev. Edward M. Jefferys, S.T.D., President of the Standing Committee, presided. There were 754 persons present at the dinner. Musical selections were rendered by Miss Mary Earp, Mrs. Dorothy Johnstone Baseler, and the Choir of St. Peter's Church, Philadelphia, under the direction of Mr. Harold W. Gilbert. Addresses were made by Dr. Jefferys; Bishop Cook, representing the National Council; Bishop Sterrett, representing the Provincial Synod, and Dr. Beury, representing the laity. Mr. George Wharton Pepper, who was to have spoken but who was

unable to come due to illness, sent a letter which was very appropriate to the occasion and which was read by Dr. Jefferys.

The Standing Committee has received the report of Mr. Charles S. Rockey as auditor of the various funds of the Diocese.

From time to time during the year the Standing Committee has conferred as the Bishop's Council of Advice, both at the request of the Bishop and upon its own motion. Very properly, because of its nature, no report is made to the Convention upon this part of the work of the Standing Committee. But, it should be noted that it is in its capacity as the Bishop's Council of Advice that the Standing Committee believes that it performs its most important function.

Respectfully submitted for the Standing Committee,

WM. H. DUBARRY,
Secretary.

APPENDIX F

Report of the Executive Council

During the past year in the death of Mr. W. W. Finn, Assistant Treasurer of the Diocese, the Council and all its Departments have lost the invaluable services of an ex-officio member who was constant in his attendance at their meetings. An appropriate minute has been adopted.

For 1937 the Budget was adopted in the sum of $361,601.11. This is made up of $314,148.42 Divisible Funds; $30,000.00 Non-divisible Funds; and $7,552.69 Overdraft from 1936. The Expectation for 1937 sent to the National Council was $175,000.00, together with a statement that if the Diocese could not raise this amount in full it would not borrow in order to pay it. The Diocese failed to meet its obligations for 1936 by $543.50 but it gave to the National Council $22,700.00 more than in 1935.

The Council acting under the instructions of the Convention has been endeavoring to safeguard the interests of the Church in the House of St. Michael and All Angels, and has requested the co-operation of the Trustees of that House and the Rector and Vestrymen of St. Mark's Church in such legal proceedings as may be necessary to properly accomplish this purpose of safeguarding these interests.

A reorganization of the Department of Property, initiated in 1935, became effective early in 1936. In prior years this Department had concerned itself chiefly with the maintenance of the Church House and of the Bishop's residence. But in the course of the depression various problems affecting the diocesan mission properties kept coming before the other Departments of the Council, and before the Council itself, with increasing frequency. In most instances these problems involved mortgages, taxes, values, and titles as well as ques-

tions of administration. It became apparent that there was need of an agency which could examine into these matters authoritatively and advise the Departments concerned. The Department of Property was enlarged and furnished with a membership of real estate men from each of the Convocations.

The mortgages upon various missions and parishes guaranteed by the Diocese have been reduced by $21,000.

The Department of Religious Education has continued its excellent work in the Normal School and has arranged to open an Observation School early in 1937.

The Department of Social Service and Institutions arranged for and carried out a series of four addresses on Preparation for Marriage which were largely attended.

The Church News has paid off all its deficit and at the end of the year has a small balance. This year marked the twenty-fifth anniversary of its most valuable service to our Diocese. Mr. Warnock's work has been noted throughout the country; he having been named as one of six on the Honor Roll published by the *Living Church* for his outstanding publicity work.

There has been added to the Budget the sum of $10,000.00 to encourage the payment by parishes and missions of mortgages, the amount raised by the parish or mission to be duplicated from this sum.

Since the end of the year the Council has elected the Reverend Frederick Percy Houghton to be the Executive Secretary to the Diocese, to take effect the first day of April, 1937.

The following amendments to the Canons were passed by the Council and referred to the Committee on Canons in order that they may be presented at the meeting of the Convention.

Canon VI, Section I, be amended as follows:

A. Add to sub-section 3 the following:

"A vacancy caused by the death or resignation of one so elected may be filled by the Convocation at any meeting. The Executive Committee of a Convocation may appoint a tem-

porary representative to serve until the Convocation itself shall elect for the unexpired term."

B. Change the word "and" in the first sentence of Section 6 to "or," to read "successors are elected or appointed."

C. Amend the second sentence of Section 6 to read:

"Except in the cases of members ex-officio, and representatives of a Convocation, the Council shall have power to fill any vacancy in its membership, arising from any cause, including the failure of the Convention to choose the original Council or to elect at any subsequent time,"

and that Canon VI, Section I, sub-section 7 be amended by adding at the end thereof the following new sentence:

"The Council may from time to time define by resolution the quorum necessary for the transaction of business at its meetings, provided; however, that such a resolution shall be adopted or amended only at a meeting at which at least a majority of those entitled to vote is present,"

and that Canon VI, Section III, sub-section 1 shall be amended by altering the amount of $20,000.00 a year to read $22,000.00 a year so that the second sentence of this section of that Canon will read

"Provided, however, that the total expense of said office, including all salaries, shall not exceed $22,000.00 a year."

And that the Standing Resolution on financial safeguards adopted by the Convention of 1936, should be made a part of the Canons of the Diocese by adding to Canon XVI new sections as follows:

III. Every Parish shall protect its funds by requiring a surety bond in such sum as the Vestry may direct of all persons handling such funds whenever they shall exceed $3,000.00 in any year.

IV. Every Parish shall safeguard its securities.

V. Every Parish shall supervise its investments.

VI. The Executive Council shall give such aid to the Parishes as may be necessary to carry out the Provisions of this Canon.

The reports of the Departments of the Council follow.

JAMES F. BULLITT,
Secretary

FINANCE DEPARTMENT

The Finance Department has given much thought, consideration and effort toward raising the budget of 1936. When the books closed for the year 1936, they revealed an overdraft of $7,552.69, as compared with an overdraft in 1935 of $7,019.19. However, during 1936 we sent to the National Council $135,000.00, as compared with $125,000.00 in the previous year, and in addition sent to the National Council $12,700.00 toward its debt of $127,000.00. It was also necessary to increase the Diocesan budget by $3,640.00 to take care of unforeseen contingencies during the year. In summarizing the situation it is obvious that the Diocese considerably improved its financial position during the year.

JOSHUA ASH PEARSON,
Chairman

INSURANCE DEPARTMENT

Additional Parishes have renewed their expiring insurance policies with the Church Properties Fire Insurance Corporation during the year 1936.

The Insurance Committee has agreed with the Insurance Corporation that in order to fully protect the Mission and Aided Parish properties in the Diocese on which the insurance was reduced approximately twenty per cent five years ago, they should be reappraised and the work of appraisal is now under way by a representative from the New York Office.

JOHN RADCLIFFE,
For Chairman

DEPARTMENT OF PROPERTY

A reorganized Department of Property began functioning the first of the year. The scope of its work included all Mis-

sion and Aided Parish properties in addition to the Church House and Bishop's residence.

The Property of St. Luke's, Chadds Ford, has been sold; it not having been used for a number of years.

The threatened foreclosures of the two mortgages at Langhorne and Morrisville have been prevented. The mortgage on the property of St. Barnabas, Kensington, has been paid, and that on St. Barnabas, Germantown, has been reduced $1,000.

The Bishop's House and the former rectory of St. Augustine Mission are being offered for sale, while negotiations are already under way for the sale of the old L'Emmanuello property and of the buildings of St. Monica's Mission, the work at both these places having been moved elsewhere.

The Department has given much thought and consideration to the amortization of mortgages on Missions and Aided Parishes and has provided $10,000.00 on the budget for 1937, with the intention of matching dollar for dollar until this amount has been absorbed.

The Department has followed closely the payment of taxes so as to prevent arrearages.

LARDNER HOWELL,
Chairman

REPORT OF THE DEPARTMENT OF MISSIONS, 1936

During the year 1936, the Convocations working with the Committee on Financial Safeguards have arranged for a proper bookkeeping and audit of the books of the various missions of the Diocese.

The debts upon the missions have been reduced about $20,000.00, largely through the aid of the Woman's Aids to the Convocations, especially in the Convocation of Chester.

The Italian Mission of St. Francis of Assisi has been closed and its members have been or will be transferred to other

parishes or missions. The appropriations to both Italian and Polish work have been considerably reduced for 1937.

A new parish house has been completed and opened at St. Faith's, Brookline. An addition to the building of St. Titus, Elmwood, is under construction. St. Martin's, Marcus Hook, is building a parish house.

Negotiations are under way at St. Stephen, Wissahickon, to arrange for its taking the status of a Mission.

JAMES F. BULLITT,
Secretary

THE CONVOCATION OF CHESTER

The year 1936, marked a decided improvement in the offerings for Missions for the Parishes and Missions of the Convocation of Chester. In reading the list one is reminded of the splendid work done under the leadership of the late Dean Bird, for it was none other than Dean Bird who introduced the idea of the Laymen's Committee and it is this Committee working with the Dean that is responsible for so much of the progress that has been made in the Convocation of Chester.

No one of our Parishes gives a tremendously large amount, but nearly twenty give from $1,000.00 to $10,000.00. Then there is another group which gives slightly less than $1,000.00, and another in the $500.00 class. The sum total of all this missionary effort is something over $80,000.00. Our Diocese is greatly blessed in having the Germantown Convocation which gives such a large total to the missionary work of the Church. Each of these Convocations gives more to Missions than any Diocese in our Church, with but three exceptions.

St. Faith's Mission has made remarkable progress during the past year. The new Parish Building has been completed and is in constant use. The congregation is now considering the purchase of a rectory for Mr. Powell, so that he may live in the Parish instead of at Glen Loch. The Mission now needs a full time man.

The twenty Missions of the Convocation are in a flourishing condition and that condition exists largely because the Missionaries of the Convocation of Chester give of themselves untiringly and unstintingly in the work that they are called upon to do.

CHARLES W. SHREINER,
Dean

CONVOCATION OF GERMANTOWN

The work of the Convocation went steadily forward during the year 1936, one of the most encouraging features of the work being the fact that our clergy stay with us, remaining in the same field year after year, building themselves into the lives of their community and of their people. In some dioceses it is common to hear the people complain, "No wonder our work doesn't get ahead better; as soon as we get used to a man, he leaves and we have to start right in all over again." Fortunately that is not true with us. Our men remain and become more and more useful by knowing their people and their needs. We did lose one man, the Rev. James Gilbert, who left Hulmeville to take up work in another part of the Diocese. His place has been filled by the Rev. Albert Fischer, Jr., who is now on the staff of the Country Center Mission, with special work at Hulmeville and Edgely. We miss Mr. Gilbert, who did very good work in the Convocation, and we welcome his successor.

New Hope has been disassociated from the Country Center Mission and placed directly under the Dean. At present the Rev. Philip H. Steinmetz is ministering to the people of St. Philip's, and his report of their cooperation is very encouraging.

St. John's, West Oak Lane, has continued to grow. The congregation has been busy raising money for the first unit of their permanent plant—a Parish House, and have been allocated the January, 1937, call of the Church Extension Fund. During the year the Woman's Aid of the Convocation gave them five hundred dollars toward the cost of the project.

We are gradually getting the Rectories of our Missionaries in Bucks County into better and more livable shape and hope to continue this worthy work. Morrisville has raised a considerable sum toward their own rehabilitation and are now working toward a reduction of their mortgage, meeting the challenge of the diocese to match them dollar for dollar in such a reduction.

The Dean is now working on a plan to revise the final plans for St. Gabriel's, Feltonville. The immediate need, as has been pointed out before in the Dean's annual report, is a Rectory on the Church grounds—not only to make the work of the Priest-in-charge easier, but also to build up the feeling that around that spot at Front Street and the Boulevard is centered all the work of the Mission. If the Diocese had a revolving fund from which we could borrow money to lend to such a good risk as St. Gabriel's, the progress of our missionary work would be hastened and multiplied.

Another place where we need a Rectory is at the Church of the Messiah, Oxford Circle. For years we have been renting a house in the neighborhood for the Rector and his family to reside in and, as rents in that vicinity are high, we are spending much more money than we should, and again not helping the clergyman in charge by making it possible for him to live next door to his Church building. This project should engage the attention of the Convocation within a year or so.

The Woman's Aid has been active and generous during the year. They have helped keep the attendance at Convocation meetings large, and have also raised large sums of money for Convocational work.

The Convocation made good its expectations for missions during the year and went over the top by several thousands of dollars. More money is collected for missions in the Convocation of Germantown than in many dioceses, and even than in several Provinces of the Church. Our "Expectation" for 1936 was $76,525.08; when the books closed we had given $81,326.99. Members of our Convocation gave through the Diocesan Contributors' Fund the sum of $23,746, and by "Specials," $8,531. The grand total of what was given during the year in the Convocation for the missionary work of the Church was $113,603.99.

Faithfully,

CHARLES E. EDER,
Dean

CONVOCATION OF NORRISTOWN

There has been but one change in the six missions during the year. The Rev. Ernest J. Harry, Rector of St. Paul's Church, Oaks, and of the Chapel at Audubon, has for some time been assuming the charge of Epiphany Mission at Royersford—a triple responsibility which proved more than any one man, under the conditions, should undertake. During November the Bishop gave the charge of Epiphany Mission to the Rev. Dr. Wm. H. Anthony, Rector of St. Peter's Church, Phoenixville, who, with the help of lay readers, is now ministering to the congregation.

St. Anne's Mission at Willow Grove, under the Rev. Robert P. Frazier, has continued to increase its membership in its growing community, and also to reduce the $4,500 bank note (dated a little over two years ago) to less than $500.00.

Holy Trinity Mission in Lansdale, a growing community, has been wrestling quite successfully with its financial situation—a considerable portion of a floating debt having been paid, and a real effort under way at the end of the year to reduce by at least a small amount the $6,700 mortgage on the Parish House. The Minister-in-charge, the Rev. J. Aubrey Cragg, has continued the oversight of Emmanual Mission in Quakertown, and, with the help of a lay-reader, Mr. James C. Stringer, of St. Thomas', Whitemarsh, the services have been held regularly—with a decided increase in the average attendance on Sunday mornings. The Convocation must, before long, consider the advisability of a resident clergyman at Quakertown.

"Progress" is reported at Holy Trinity Polish Mission in Conshohocken, at Trinity, Gulph Mills, and also at the Church of the Advent, Hatboro. During November the Executive Council put an item of $1,400 on the Diocesan Budget for 1937 to pay for the sewer assessments charged against the Hatboro Mission for the new sewer laid several years ago in front of the Rectory and in front of the Church and Parish House.

The Women's Aid were active under the leadership of Mrs. C. D. Robinson, of Wyncote. As a result of their Fair in June, they voted $150.00 to Royersford for repairs on the front porch of the Rectory; $75.00 to the Polish congregation in Conshohocken, to "stop the rain water getting into the cellar"; $75.00 to Hatboro to repair gutters and spouting on the Church roof; $75.00 to Lansdale toward the cost of some work needed on the walls of the Parish House, and $25.00 to Quakertown for repairs to memorial windows.

CONVOCATION OF NORTH PHILADELPHIA ANNUAL REPORT FOR 1936

The year was marked by steady progress and some encouragement in the matter of financial recovery, with a slight increase of Missionary givings over the Expectation reported at the beginning of the year, and much earnest work on the part of the missionaries.

The Executive Board of the Convocation met for two special purposes, namely, to plan for a professional audit of Mission accounts, and to consider the report of the special committee of the Executive Council of the Diocese in relation to certain Churches and Missions in the Kensington and adjacent areas. The audit disclosed the fact that the Parish Cash Book is a great aid to careful and accurate accounting but because of its expense very few of the Missions make use of it. The professional audit was made possible by the generosity of a member of the Convocation. In cooperation with the Department of Missions of the Executive Council consideration of the recommendations concerning the several Parishes and Missions referred to in the special committee's report has lead to some constructive measures, particularly in the matter of mortgage reduction.

The Holy Redeemer (Polish) and St. Ambrose and St. Bartholomew have made requests of the Executive Council to help reduce the mortgage carried by each Mission on a fifty-fifty basis.

St. George's, Venango, reported a notable increase in offerings and other receipts and several of the other Missions gave evidence of encouraging increase of income. St. Augustine's made earnest plans to raise a fund to replace the slate roof over the Church, which leaks badly, and made considerable progress in starting the fund during the year. St. Paul's, North Penn, repainted and improved the basement room used as a Chapel, and the Women's Committee raised $100 toward the Building Fund. St. Barnabas assumed a larger share of

its missionary's stipend, beginning a progressive program in cooperation with the Diocese to relieve St. Paul's, Chestnut Hill, of the responsibility which it has so generously carried for a number of years.

The work among the Italians and the Mission to the Deaf and the Hebrew Christian Synagogue report some definite encouragements as the result of the year's work.

The Woman's Aid was extended the courtesy of the use of the grounds at "Wyck," Germantown, once again for the annual Garden Party, Miss Haines carrying on the tradition of several years in making her home available to the Convocation. The sum of $572.57 was the net result of the work of the various committees under Mrs. Mowry's direction.

Several important anniversaries were observed in the Convocation during the year 1936. Emmanuel kept its 100th; St. Simeon's and the Advocate and St. Barnabas each its 50th; St. George's, Richmond, its 30th, and St. Jude was 90 years old.

The altar, formerly erected in the private Chapel of the Bishop's House, was loaned by the Cathedral Chapter to St. George's, Venango, where it is most pleasingly installed. The Seamen's Church Institute was one of the two beneficiaries of the Bishop's Bricks Advent Offering through the Sunday Schools of the Diocese.

REPORT OF WOMAN'S AID CONVOCATION OF NORTH PHILADELPHIA

The Woman's Aid to the Convocation of North Philadelphia spent a very busy and a very happy year. In order to augment the resources at our command we gave three entertainments in addition to our Annual Garden Party. A Card Party, a Concert (by our Colored Missions), and, through the courtesy of St. James' Young People, a pageant. These entertainments were very much enjoyed by all who attended them. Our Garden Party is the one big event of the year when everyone comes for a real family party. In all we raised nearly $1,000. With this amount added to the money in the Treasury we were able to make the following grants:

The Dean's Coal Fund for Missions	$ 600.00
Taxes, St. George's, Richmond	338.60
Repairs to Roof, Santa Maria	50.00
Rev. Mr. McDuffey (Birthday Gift)	50.00
Tuition and Books (Joseph Smith)	50.00
Social Service, St. Barnabas	50.00
Christmas Candy, Colored Missions	37.50
House of Rest, Germantown	25.00
Donation to Blind	15.00
Bishop's Jubilee Fund	100.00
	$1,316.10

Through the courtesy of the Rector of St. Clement's we were able to give some used choir vestments to our Colored Missions as well as some used clothing.

In passing on the work to other hands I want to express my gratitude to every member of the Woman's Aid for their splendid cooperation with me during my entire service with them.

IDA S. M. MOWRY, *President.*

CONVOCATION OF SOUTH PHILADELPHIA

The Convocation of South Philadelphia had two meetings during the year—one at Gloria Dei (Old Swedes) and the other at Holy Trinity. Both were well attended. Our special speakers were Dr. Lewis B. Franklin and the Rev. Eric Tasman.

On the first Mondays in months of October, November, December, January, a number of the clergy met together in a "prayer group" in Holy Trinity Parish building. There was a service of intercession taken by one of the group for the work of the Church.

South Philadelphia again paid more than its expectation for the year. We promised $39,127.93 and paid $42,390.84.

During the year the missionary work has been going on as usual. The Rev. Thomas E. Della Cioppa, of L'Emmanuello, speaks encouragingly of his work.

The Diocese was obliged to help out financially again at St. Elisabeth's, but it is felt now with the building and loan association paid off and the Diocese assuming certain other obligations, the work may progress.

One change has been made. With the approval of the Bishop, the Rev. Gustav Meckling is devoting his time to the Mission of the Transfiguration. I feel the time has come when the Church should take this step. We have at present 135 children in the Church School. It is well organized and the students from the Church Training and Deaconess House are securing some of their practical training there. During the past year a number of repairs have been made to the Parish Building and Church. The Church has invested in this property about $32,000.00.

Concerning the work of the Woman's Aid, Mrs. Frederick Fox, the president, writes:

Three meetings were held throughout the year—January, May, October.

A Devotional Day in the interest of the Educational Work of the Diocese was held January 21, 1936, in conjunction with

the meeting of the Convocation. There were 80 delegates present and these carried back to their parishes the inspirational messages of the day. Many classes were held later to study Latin America. An offering of $10.00 was sent toward the fund being collected for the Church in Haiti.

In January a contribution of $50.00 was sent to Dean Hill, to be used for necessary repairs at the Mission of the Transfiguration.

The Ninth Educational Week for the Blind was ably supported on March 9th at Gimbels Store by generous donations of money and food and was well represented by volunteers for service.

At the May meeting $171.80 was forwarded to the Diocesan Treasurer for Iolani School.

The House of Rest received its annual contribution of $25.00.

The Rev. Gus Meckling was given $50.00 in October to be used as a Discretionary Fund for work at the Mission of the Transfiguration.

Several years ago many of the Episcopal Churches in South Philadelphia banded themselves together to help the Philadelphia Branch of the Needlework Guild of America. From a small beginning we are happy to report that this year 16 churches gave 706 garments and $45.25. Many of the garments went later to Episcopal institutions.

The Elizabeth Price Martin League for Service has been ably supported throughout the year in its work at the Philadelphia General Hospital by contributions of money, layettes and Christmas packages. Many women pay weekly visits and give very welcome treats to lonely patients.

Due to a Christmas appeal at the Diocesan Committee,
The Mission of the Holy Spirit,
The Mission of the Transfiguration,
The Church of the Crucifixion,
received checks to help defray their Christmas expenses.

There has been the usual cordial cooperation and interest.

Any suggestion offered by the Chairman has been fully supported, and it has been a great joy to have shared in this work for the last ten years.

I want to thank Mrs. Fox for these years of faithful and devoted service.

I am grateful to the clergy, laymen and women for their co-operation for the year 1936.

JOHN E. HILL,
Dean

THE CONVOCATION OF WEST PHILADELPHIA

REPORT OF 1936

The four missions in the Convocation have shown many signs of real progress and new life during the year 1936. There is a general spirit of optimism and the future seems bright, taking the work as a whole.

There is a strong feeling in certain quarters that the Convocation should face its responsibilities to the large number of Italians living in the North Sixty-third Street section. Since the close of the work at St. Francis of Assisi, our Church has withdrawn entirely from work among the Italians. This subject will be given serious consideration in the near future.

The Rev. M. Mills Garcia, Missionary-in-charge at St. Titus', reports a renewed interest and enthusiasm among his people. The new addition to the property is under construction and will provide much needed facilities for a larger work. Under the leadership of the Men's Club the first floor of the main building is being entirely renovated. The men, themselves, are doing much of the work. By the time these additions and renovations are completed, the property at St. Titus' will be a source of satisfaction to the Church, and the Missionary will be in a position to take advantage of the new life that has been stimulated. This spirit is also being evidenced in the organization of an Altar Guild, a Young People's Fellowship and in numerous other ways.

The Rev. Charles A. Levy, Missionary-in-Charge of the Beloved Disciple, states that "favorable progress can be noted in practically every phase of the Mission's work. The Church School promises a Church that will surpass the former Parish from which the present Mission was formed. Many unfavorable conditions and difficulties were inherited from the past, but these are being overcome and the progress is most gratifying. The present uninviting and inadequate Church property constitutes a real drawback to the best work. We hope some day these conditions will be improved. Over $2500 passed through the hands of the Treasurer, together with money raised and spent by Guilds and organizations for incidentals. The Mission's givings for 1936, according to the Board of Missions, has established a record."

The Rev. Arthur C. Moore, of St. Cyprian's, Elmwood, states that "the Mission closed the year 1936 without a single debt. For the first time in its history our coal bill was paid by the first of December. This, in spite of the fact that the Mission assumed a larger part of the Priest's salary, and also contributed more than $12.00 above its Expectation for Missions. The Parish is divided into eleven teams and each team is busily engaged in raising funds for our building project. During the year over $300 has been raised for the hoped-for new Chapel, in addition to the regular expenses of the Church. Our services have been better attended, and more Communions have been administered than in any previous years. We are praying and working for more adequate facilities for worship and Parish activities."

The people of St. Monica's are more than anxious to do their part in maintaining the present work and extending it in every possible way. The property is in good condition.

Much of the new stimulation in these Missions can be traced to the exceptionally fine work that is being done by the Woman's Aid to the Convocation. Under Mrs. C. F. Miller's splendid leadership these women have helped the Missions in many ways, bringing to them new hope and a new realization of their possibilities.

The Dean is again glad to report that the Convocation, as a whole, exceeded its 1936 Expectation by over $800. He knows the great sacrifices that have made this possible, and wishes to express to all the clergy, and to the women of the Convocation his gratitude for a year of progress and cooperation.

Dean

REPORT OF THE WOMAN'S AID TO THE CONVOCATION OF WEST PHILADELPHIA

The Woman's Aid to the Convocation of West Philadelphia has completed another happy and successful year. There is a growing interest in our work throughout the Convocation and more women attend our meetings.

The Chairman of our Missionary Committee is most active and keeps in touch with the needs of the four missions. This committee has done much to meet these needs and to make emergency repairs.

A splendid work is being done by the Chairman of the Social Service Committee: food, clothing, fuel, medicine, hospital care and Christmas cheer were given to many worthy families.

The Chairman of the Ways and Means Committee is fulfilling every confidence placed in her, and is putting forth every effort to raise $2,000.00 for the Building Fund of the Convocation.

Our group also assists, from time to time, the various Diocesan institutions both with gifts and money.

The reports of the several Chairmen of our Committees are always most encouraging and stimulating.

We are all striving through our daily prayers to be guided in the work for the glory of God and the extension of His Kingdom.

Respectfully submitted,

ALICE M. MILLER,
President

DEPARTMENT OF RELIGIOUS EDUCATION

In 1936 the three chief activities of the Department were the maintaining of the office, the preparation of the Observation School, and the Normal School.

Room 30 was open daily for 10 months from 9 A. M. to 4:30 and from 9 to 12 on Saturdays with Miss Gertrude Brodhead continuing as office secretary.

1477 visitors to the office were recorded during the year, exclusive of those who came for meetings and conferences, and working contacts with 135 of the nearly 200 church schools in the Diocese. The library has continued to be of wide use, from 80 to 90 books being usually in circulation.

Miss Elizabeth Frazier was absent on leave during the first six months, during which time Mrs. Robert King worked on a part time basis in the office and at the Normal School.

In June the Department decided to select a church school and have Miss Frazier devote the major part of her time to preparing it for use as an Observation School. All Saints', Moyamensing, was selected and at the end of the year was on the point of being opened for observation.

During the first six months of the year the Church School Commission prepared and issued a Curriculum Guide which

has been widely used and also helped Miss Brodhead mimeograph "Two Units of Work for First Grade" by Katherine Smith Adams, of which over 100 copies have been sold to Church Schools throughout the country. Copies of "A Good Friday Service for Children" and "A Service for the Presentation of the Missionary Offerings of the Church Schools" were mimeographed and distributed.

The Seamen's Church Institute and St. Cyprian's Colored Mission were selected as the work to which the Advent Offering was to be given. $1,644.76 was received, an increase of $450.90 over 1935, and we hope a deeper interest in the Missionary work of the Church fostered among the schools. The Lenten Offering for 1936 totaled $42,639.85.

Early in the fall a Leaders' Conference on "The Forward Movement and Christmas" was held.

Mrs. Holmes Whitmore, the Christmas Box Secretary, reported 740 gifts to Domestic Missions and $52.50 in money; 1728 gifts were sent to missions and institutions in the Diocese.

The work of the Student Commission was carried on by Miss Brodhead, who gathered from the rectors of the several parishes the names of 204 students and sent them to the chaplains at 54 institutions. In Lent each student received a letter from the Bishop.

The 66th Annual Church School Institute was held on October 5th, at the Christian Association, with the Rt. Rev. Theodore Ludlow, D.D., as the main speaker on "The Forward Movement in the Church School." There were 201 present from 60 parishes. The Diocesan Normal School in its spring semester of five weeks had a registration of 141 students from 59 parishes; and in the fall term of ten weeks 109 students from 50 parishes.

DEPARTMENT OF SOCIAL SERVICE AND INSTITUTIONS

It is a pleasure to be able to report a year of continuous, and we believe, useful activity, thanks to the hearty cooperation of the members of the Department.

Important documents and statements concerning pending

and recently enacted Federal and State legislation have been distributed to the members, the clergy and other interested people. One of the important functions discharged is the scrutiny of proposed legislation and the offering of suggestions or opposition as the situation may demand.

An outstanding accomplishment of the year was the series of four addresses on Preparation for Marriage arranged by a special committee (consisting of Rev. Messrs. Conkling, Anthony and Lander) which were delivered on four successive mornings before the Clerical Brotherhood and were unusually well attended. Books dealing with marriage have, through the activity of this committee, been added to the Diocesan Library.

Committees were appointed to study social security measures and the digest of social security laws prepared by John C. Sheriff, Esq., chairman of the Pittsburgh Department, was made available to the clergy of our own Diocese. In this connection the administration of Karl de Schweinitz, Director of the State Emergency, was heartily endorsed.

The Kensington Day Nursery approached the Department on the question of taking over its property for the use of the Diocese. A committee headed by Dean Stockman, of the Convocation of North Philadelphia, has been conferring with the Nursery and studying the general situation.

Cooperation with the new activities of the Pro-Cathedral was established at the instance of Dr. Emhardt, the vicar.

Again attention must be called to the need for at least a part time, compensated secretary. The Department is constantly and seriously handicapped because it has to depend entirely on volunteer service and inadequate appropriations.

CLINTON ROGERS WOODRUFF,
Chairman

DEPARTMENT OF PUBLICITY

As an integral part of the Executive Council the Department of Publicity is jealous of its importane to the work of the whole diocese. It is the smallest in membership of the several departments of the Council yet every department calls

upon, and rightly so, the Department of Publicity for service. Before enumerating the activities of this Department the Chairman wishes to express to Mr. Samuel Warnock, the Director of Publicity, the Department's appreciation of his devoted and painstaking efforts in developing and carrying out the work of publicity.

The Church News

In the minds of many it is thought that the Department concerns itself solely in preparing and distributing THE CHURCH NEWS. This is not so as this report will show but THE CHURCH NEWS is the greatest factor in disseminating information to the whole Church. During the lean years just past the problem of continuing the publication without calling upon the Council for money was acute. After five years it can report with pride that it has cleared up its deficit and has a balance of about two hundred dollars in its reserve fund. In October, 1936, THE CHURCH NEWS celebrated its twenty-fifth anniversary with a special edition of eight thousand copies. The issue was sent by Bishop Taitt to all the members of the House of Bishops and he and the Director received many congratulatory letters and telegrams. Normally such an issue could not be printed and mailed with just a loss of one hundred dollars if it had not been for the cooperation of many church organizations in paying willingly for the space used.

News Service

News is sent regularly to the secular and religious press. Mistakes which appear at times in the daily newspapers could be avoided if the laity and clergy would refer news and reporters to the office of Publicity in the Church House. News of nationwide significance is released by Mr. Warnock directly to the Associated Press.

Records and Clippings

There is an indexed file of present and past events which is for your use. Many of the clergy in preparing historic articles have found this file useful.

Use of Church House

The office has had the responsibility of allocating rooms in the Church House for the many meetings held regularly and occasionally. During 1936 there were 636 such meetings held. It takes tact and patience to adjust groups in a limited building like the Church House but it shows the value of this central building to the Diocese.

Church Extension Call

For the fourteenth year in succession the Department has had the responsibility of preparing and publishing the Bishop's Church Extension Call. The three calls produced $6,021.50. This was entirely for work within the Diocese. More pledges are needed to meet the added cost of building today.

CHARLES H. LONG,
Chairman

THE COMMISSION ON RECRUITING FOR THE MINISTRY

The Commission on Recruiting for the Ministry have made grants to nine young men who are students in our Church Seminaries. The amount consists of $180.00 a school year to each student with a total expenditure of $1,620.00. All who receive this grant are young men who have been interviewed by members of the Commission, have completed college or equivalent scholastic work for admission as candidates for Holy Orders. The Commission feels strongly the need of more young men answering the call to service in the Ministry of the Church and are devising plans to put this important matter before groups of boys and young men in the Diocese. To aid this effort more funds will have to be allocated to this particular work of the Church. The members express their sorrow at the loss of Mr. W. W. Finn, deceased, a most ardent and helpful member in the work of the Commission.

APPENDIX H

Report of the Cathedral Chapter

The regular Sunday Services of Holy Communion, Morning Prayer and Evening Prayer have been maintained throughout the year. The annual memorial service for the departed members of the Church in this Diocese was held on All Saints' with a large congregation representing many Parishes. An increasing number of people both from within the Diocese and from many places afar have either worshipped at these Services or visited the site and present chapel. More of the Clergy of the Diocese have consented to conduct the Sunday afternoon Service, bringing with them members of their congregations and in some instances their choirs.

The final plans for the Crypt have been prepared and it is hoped that work upon the foundations for the choir and tower enclosing this portion of the Cathedral structure may soon be started. These plans, which involve the possibility of burial within the Crypt, have been approved by the State. The future development of the Cathedral depends entirely upon funds to prosecute the work, as no unit in the building will be undertaken for which the cost is not in hand.

The ample grounds surrounding the Cathedral site as well as the strategy of location offers exceptionally good reasons for the location of homes for the Aged and Infirm. Conferences with several such Institutions of the Diocese are now in progress, looking forward to the possibility of bringing them to the Cathedral grounds, building modern homes and using certain structures common to all, yet maintaining their own previous identity. There is no home for aged men in the

Diocese and this project might well include such a unit. There is also the possibility of a home, for which funds are in hand, for the aged Clergy and their wives.

There is need for acquainting more of the people of the Diocese with the Cathedral and the great usefulness in the life of the Church that a Cathedral can render. This can best be accomplished through the revived Cathedral League, which reaches through small interested groups of members into the various Parishes, thus establishing a means of communication from the central church of the Diocese, the Bishop's Church, with every congregation making up this Diocese.

The financial report is appended.

Secretary and Canon Residentiary.

APPENDIX J

Report of Church Work Among the Deaf

Under the direction of the Commission, Church work among the Deaf in the Diocese has been conducted during the past year by the Rev. Henry J. Pulver, at All Souls' Church for the Deaf. The usual reports have been made to the Convocation of North Philadelphia, but it may interest you to note the following brief summary of what has been done: Baptisms, 6; Confirmations, 9; Marriages, 3; Burials, 6; Services, 127; Holy Communion, 46; Communicants, 253.

We have nothing spectacular to report. The work has followed normal parochial routine. The Gospel has been preached to the Deaf. We have conducted all the regular services and have done educational work by means of special lectures and motion pictures. We have endeavored to help our people find work, and have aided the needy to the best of our resources. We have not tried to "make the front page," but to keep everlastingly at it and to help the Deaf in the various ways in which they could be helped.

Our Choir of Deaf young ladies has been most effective in rendering hymns in the sign language, and has been invited to "sing" at several important gatherings in the Diocese.

We are much better off financially than a year ago. Better times have brought increased income from the endowments by which the work is partly supported. We have no floating debt, and have been able to make various improvements in the Church, which adds to its efficiency.

The work is grateful for the kind assistance that has been given by the Bishop and other interested friends.

We have taken thought as to establishing some sort of organized parochial status for All Souls' Church. But it is

apparent after study that the work is fundamentally missionary in nature, due to the fact that this one Church for the Deaf serves the whole Diocese. Our communicants reside in every convocation and parish in the Diocese. It appears, then, that the present arrangement is best for our needs. Our ties with the parish of the Resurrection, in which our Church is located, and with the Convocation of North Philadelphia, correlate our work to the general work of the Diocese.

Respectfully submitted,

JAMES O. MCILHENNY,
Chairman.

APPENDIX K

Report of the Registrar—May, 1937

The canonical duties of the Registrar have been performed regularly through the year, and the statistical records with which his office is charged, Episcopal acts within the Diocese, list of Clergymen of the Diocese, and of all Churches, Chapels, or Mission stations of the Diocese, with a description of their location and property, appear in their proper places in the JOURNAL.

Attention is called to the provision by canon of depositing with the Registrar all Registers and other valuable documents belonging to any Church, Chapel, or Diocesan or Parochial organization which may have ceased to exist. The Registrar is thus enabled to make certified records therefrom whenever they may be required.

H. W. GERNAND,
Registrar.

FOOTNOTES

1. Under former corporation acts the Rector, Church Wardens, and Vestrymen usually constituted the corporation which contained the names of their offices in its title. Under the present corporation act, however, the Vestry does not constitute the corporation. It is merely the Board of Directors of the larger body constituting the corporation. The usual title of "The Rector, Church Wardens and Vestrymen of ....." which does not include all the members of the corporation is now inaccurate and misleading as well as cumbersome. It is suggested that the names by which churches are commonly known, such as "St. Thomas' Church, Whitemarsh," "Grace Church, Mt. Airy," or "Protestant Episcopal Church of the Incarnation, Philadelphia," would usually be sufficiently distinctive to serve as their corporate titles.

2. Section 201 of the Nonprofit Corporation Law requires at least five incorporators, not less than three of whom must be residents of Pennsylvania and citizens of the United States, its territories or possessions.

3. This section is in conformity with Section 203 (3) of the Nonprofit Corporation Law.

4. This section is in conformity with Section 214 (1) of the Nonprofit Corporation Law.

5. This section is in conformity with Section 203 (2) of the Nonprofit Corporation Law.

6. This section is in conformity with Section 203 (4) of the Nonprofit Corporation Law.

7. The annual contribution required to qualify a person as a member of the corporation should not be so large as to discriminate against the poorer members of the Parish. It is suggested that five dollars would be a suitable amount.

8. For Parishes where the choice of Vestrymen would be too greatly restricted by requiring that they be confirmed the words "and confirmed" in the second sentence of Article 7, Section 1, may be omitted.

9. This provision is in conformity with Section 214 (2) of the Nonprofit Corporation Law.

10. While the law requires that there must be not less than three vestrymen, it is not necessary, legally, to fix a maximum number. The number in excess of three may be left to the by-laws. See Sections 501 and 502 of the Nonprofit Corporation Law.

11. This section is in conformity with the provisions of Section 502 of the Nonprofit Corporation Law. Election by classes is not necessary but is recommended. Should any parish, however, desire to have the whole number of vestrymen elected each year, the words in brackets in this section should be omitted. If election by classes is desired, the words in brackets should be used.

12. This section is in conformity with Section 203 (8) of the Nonprofit Corporation Law.

13. This section is in conformity with Section 203 (7) of the Nonprofit Corporation Law.

Rev. J. M. Collins	Mr. R. S. Morris
Rev. D. W. Gateson	Mr. F. H. Moss
	Mr. P. S. Williams

At a meeting held October 14th, 1936, authority was given the Treasurer to turn over to the Treasurer of the Diocese, the balance of the proceeds of the sale of the real estate of the former parish of St. Luke's, Chadds' Ford, to be used by him to reduce the indebtedness of the Church of The Advent, Kennett Square, in accordance with the suggestion of the Executive Council, and as designated by the Bishop.

At this same meeting, the Foundation agreed in the matter of St. Giles, Stonehurst, that the Agreement, dated July 10th, 1934, should be extended for one year from September 1st, 1936, and authorized the execution of any necessary stipulations for that purpose.

At a meeting held January 13th, 1937, the resignation of Reynolds D. Brown as a member of the Board was accepted with regret.

Upon motion, Mr. Edward C. Bendere was unanimously elected to fill the vacancy, and subsequently was appointed by the Bishop a member of the Committee on Investments.

The Bishop appointed Henry R. Robins a member of the Committee on Trusts.

APPENDIX N

Sub-Committee on Financial Safeguards of the Finance Department

The Sub-Committee on Financial Safeguards of this Department reports as follows:

The Department at its meeting of June, 1936 established this Sub-Committee to carry out the duties imposed upon the Department by amendment of 1935 (Jnl. 1935 pp. 47-48) to Canons VI and XVI; by amendments of 1936 (Jnl. 1936 pp. 44-45) to Canon XVI; and by resolution of 1936 (Jnl. 1936 p. 49).

These amendments, and the Resolution are too long to quote. They distinguish parishes and missions from other church organizations within the Diocese. The latter are *required* as a condition of diocesan recognition (a) to make declaration of willingness to accept financial safeguards, and (b) to accept these when prescribed under canon. Missions are left to regulation by the Department of Missions. Parishes are *requested* to conform to financial safeguards. The Executive Council is instructed to carry out, through the Department of Finance, the canonical requirements and the terms of the Resolution, and to report to Convention. Necessary expenses are made chargeable against the Convention Fund.

Your Sub-Committee is in effect heir to the labors of the Special Committee of Convention which, following its report in 1936 (Jn. 1936 p. 331) was discharged under Standing Rule of Order No. 1. As a result of the work of this special Committee, and of the Committee of the Department of Finance which preceded it (see Jnl. 1935 p. 335), there was in the Diocese general familiarity with the purpose and scope of the financial safeguards requirements, and there had

occurred a considerable degree of advance compliance with the wishes of Convention.

The instant Report will continue under two heads: A—Organizations other than Parishes and Church congregations (see Jnl. 1935 p. 47); B—Parishes.

A—ORGANIZATIONS

The first task of your Sub-Committee was to decide what organizatons, if any, might be dispensed, for valid reasons from making a declaration of willingness to accept regulation. Clearly, those which are already under control of the Diocese, those which are entirely managed by the Treasurer of the Diocese, and those coming under the control of the Department of Missions, can be dispensed with because of sufficient safeguards. The following list comes under this category:

Convocations
Committee on Church Work Among the Blind
Committee on Church Work Among the Deaf
Committee on Church Work Among the Jews
Committee on Clerical Salaries and Pensions
Trustees of the Episcopal Fund
Trustees of the Episcopal Residence Fund
Board of Control of the Diocesan Library
Department of Missions
Building Fund
Diocesan Contributors' Fund

To the remaining organizations written request was made for the execution of a Declaration on one of two forms. A copy of the request and of each of the two forms, is appended to this Report marked "A".

Announcing their reasons to the effect stated below opposite their titles, the following organizations found themselves unable to execute a Declaration, but it should be noted, that, as shown in a succeeding paragraph, nearly all of them are ready to cooperate fully in meeting the practical requirements for financial safeguards:

House of St. Michael and All Angels
No reason given, but it is possible that considerations of policy in connection with a program for raising money were effective.

Morrisville Community House
No reasons given.

Corporation for the Relief of the Widows and Children of Clergymen, etc.
The Corporation must preserve its complete independence in all matters affecting it.

Evangelical Education Society
Convention lacks power to require the execution of these Declarations.

Academy of the Protestant Episcopal Church in Philadelphia.
This corporation lacks power to yield to any other body the performance of duties proper to its own Board of Directors.

Home for the Homeless
No reason given.

Home of the Merciful Saviour for Crippled Children
Does not hold itself as maintained for benevolent, administrative or other purposes of the Protestant Episcopal Church.

Society of the Protestant Episcopal Church for Advancement of Christianity in Pennsylvania.
Work covers all five dioceses in this State; cannot therefore subscribe to canons of any one Diocese.

The Divinity School of the Protestant Episcopal Church in Philadelphia.
Not subject to regulation by any diocese.

But all these organizations except the one first mentioned agreed to submit their financial practices to inspection by the Department and manifested a desire to cooperate cordially. Your Sub-Committee recommends that the reasons, valid or conscientious, for not executing Declarations in the above cases be accepted. Existing financial safeguards are believed to be satisfactory in all or nearly all these instances, although opportunity for inspection has not yet been taken, owing to the other matters before the Sub-Committee.

The remaining organizations, 28 in number, executed declarations. Inquiry as to existing safeguards in these instances showed some deficiencies, chiefly in regard to bonding and auditing. These have been or are being corrected.

	Bonding	Custody of Securities	Supervision of Investments	Audit
Adequate or satisfactory	19	28	26	21
Inadequate or unsatisfactory	9	0	2	7

To summarize the situation under A, your Sub-Committee has accomplished most of its task and anticipates no difficulty with the remainder of it, although there are still a few cases where improved methods await installation.

B—PARISHES

In June, 1936, your Sub-Committee sent to each parish a letter (copy appended hereto marked B) quoting the Resolution of Convention of 1936 and offering assistance toward meeting its requests. The result of this and subsequent letters may be summarized at this date (March 9, 1937) as follows:

Number of parishes written to.....137
Number of parishes replying..... 86

Analysis of the 86 replies:

	Books	Audit	Bonding	Custody Securities	Supervision Investments
Adequate or satisfactory	85	28	45	71	81
Inadequate, unsatisfactory or questionable	1	58	41	15	5

	Missionary Treasurer	Missionary Accounts	Regular Remittance	Audit Missionary Accounts
Yes	12	77	51	50
No	74	9	35	36

Following analysis of the replies to its inquiries, your Sub-Committee made specific suggestions for improvement where these seemed to be needed, using an inclusive letter (copy appended marked "C") checked to apply to the particular case. The Sub-Committee will continue to cooperate with cooperating parishes toward fulfillment of the wishes of Convention of 1936. There is presented to Convention herewith, however, the case of the non-cooperating parishes, 51 in number, which have not responded to inquiries. In some instances failure to reply may be due to inadvertence, but in others it is due to opposition to diocesan supervision. This opposition is natural. No one likes to be supervised. Moreover, we have always in the background the fact that with us, the parishes—some of them—begat the diocese, and not the diocese the parishes. However, there can really be no question of the desirability of financial safeguards. The real issue is: shall the Church simply trust to the parishes to make them, without knowledge or possibility of knowledge, that they are in effect, or has the Church a duty in the matter which it must discharge, and can only discharge through the diocese? There is no reason to suppose that the financial practices of the 51 parishes which failed to reply to inquiries will show a smaller percentages of deficiencies than those of the parishes which have cooperated.

Whether it be the bank check of a wealthy man or the widow's mite as soon as the offering touches the plate a trust is established and the Church has become the Trustee, bound by Christian principles to see that the offering is expended

for the purposes for which it was intended. Too often in the past has this trust been violated by ignorance, carelessness or unscrupulous intent. Are we not bound to protect ourselves against ourselves? The Committee wishes for itself no dictatorial powers but feels strongly that a duty faces the Church. Meeting this duty sooner instead of later will save many dollars to their rightful purpose and possibly some person from himself. A vestry must assume responsibility for its practices good or bad but we should not let our love of independence overshadow the danger of bad practices in finances.

In order to permit of legislation at Convention of 1937, should Convention desire to enact such legislation, your Sub-Committee recommend that the Department of Finance request the Executive Council to submit to the Committee on Canons, prior to April 1st, the following proposed Resolution:

RESOLVED: That the Standing Resolution on Financial Safeguards adopted by the Convention of 1936 (Jnl. p. 49) be rescinded and that Canon XVI, Section I be amended by renumbering sub-section 4 as 8 and adding new sub-sections as follows:

3. Every Parish shall protect its funds by requiring a surety bond in such sum as the Vestry may direct of all persons handling such funds whenever they shall exceed $3,000. in any year.
4. Every Parish shall safeguard its securities.
5. Every Parish shall supervise its investments.
6. The Executive Council shall give such aid to the Parishes as may be necessary to carry out the Provisions of this Canon.

Respectfully submitted,

DIOCESE OF PENNSYLVANIA

Executive Council

Department of Finance

June 16, 1936.

TO THE TREASURERS AND ACCOUNTING WARDENS:

The Department of Finance through its Sub-Committee on Financial Safeguards is writing you on the subject of a resolution adopted by Convention of 1936 which reads as follows:

"I. This Convention declares that every Parish shall

1. Have an annual audit.
2. Protect its current funds by bonding its drawing officers in such sum as its Vestry may direct, whenever the gross annual receipts of the Parish in any of the three preceding years have been $3,000. or more.
3. Safguard its securities.
4. Supervise its investments.

II. This Convention requests the Executive Council through its Department of Finance, to aid Parishes to take these measures, and to report to Convention of 1937 its action."

Enclosed herewith is a form which you are asked to fill in and get back to us not later than the first of October next. You will note that it is to be signed both by the Treasurer or Accounting Warden and by the Secretary of the Vestry, the latter of whom certifies by his signature that the information given is authorized by resolution of the Vestry.

Most parishes have already given us corresponding information for the year 1935 but the information now asked for is for the year 1936 and includes also a few additional matters not covered by the 1935 inquiry.

We call to the attention of your Vestry sub-section 4 of Section I of Canon XVI which reads as follows:

"All accounts having to do with the receipts and expenditures or investments of money of all Parishes and Church organizations shall be audited at the close of each year by a certified public accountant: PROVIDED, HOWEVER, That if the amount of income for the year, as shown by the account shall be less than $3,000, or if a certified public accountant is not available, the audit may be made by an accountant bookkeeper in no way connected with the subject matter of the account."

This committee interprets the phrase "in no way connected with the subject matter of the account" to mean that the public accountant or accountant bookkeeper should be one who is not a member of the parish. We offer to those parishes which the Canon does not require to have a public accountant, the suggestion that they may secure the services of a competent bookkeeper in a nearby bank for a very reasonable fee.

The Diocesan Department of Finance wishes to be of service to parish treasurers or accounting wardens and offers through the office of the Financial Secretary of the Diocese friendly cooperation and aid if this is desired.

Faithfully yours,

Sub-Committee of the Department of Finance on Financial Safeguards.

W. W. FINN,
ROBERT C. BELLEVILLE, 3RD,
SPENCER ERVIN, *Chairman*

(Signed) JOHN RADCLIFFE
Financial Secretary.

February 16, 1937.

The Committee on Financial Safeguards has carefully read the information you have given in answer to our questionnaire and respectfully calls your attention to one or more of the following items (the item referring to your Church is indicated by (V) which we hope you will comply with in order to be in accord with the intent of the resolution of the Convention, which reads:

"I. This Convention declares it desirable that every Parish shall
1. Have an annual audit.
2. Protect its current funds by bonding its drawing officers in such sum as its Vestry may direct, whenever the gross annual receipts of the Parish in any of the three preceding years have been $3,000. or more.
3. Safeguard its securities.
4. Supervise its investments.

II. This Convention requests the Executive Council through its Department of Finance, to aid Parishes to take these measures, and to report to Convention of 1937 its action."

Audit

We call to the attention of your Vestry sub-section 4 of Section I of Canon XVI, which reads as follows:

> "All accounts having to do with the receipts and expenditures or investments of money of all Parishes and Church organizations shall be audited at the close of each year by a certified public accountant: PROVIDED, HOWEVER, That if the amount of income for the year, as shown by the account, shall be less than $3,000, or if a certified public accountant is not available, the audit may be made by an accountant bookkeeper in no way connected with the subject matter of the account."

This Committee interprets the phrase "in no way connected with the subject matter of the account" to mean that the public accountant or accountant bookkeeper should be one who is not a member of the parish. We offer to those parishes which the Canon does not require to have a public accountant, the suggestion that they may secure the services of a competent bookkeeper in a nearby bank for a very reasonable fee.

Regardless of the amount of receipts, it is desired that every Parish shall have an audit. Your statement indicates either no audit has been made, or your audit is not being made in accordance with the Canon. Kindly advise if you will arrange for an audit, if you have not already done so, and when an audit is made, kindly comply with the resolution of the Convention.

Bonding

In all cases when receipts are $3000 or more the Treasurer or Accounting Warden should be bonded. It is the thought of the Committee that 20 per cent of the receipts per year would be an adequate basis for determining the amount of the bond. May we suggest you arrange for the execution of a bond for the proper amount, if you have not already done so, and kindly advise for our record.

If access to securities is by the Treasurer alone, the Treasurer's Bond should cover the securities as well as the bank deposits, but it access is by two or more persons jointly, the bond covering securities should not be necessary.

Custody of Securities

It seems to the Committee that two persons should be present whenever access is had to the securities. The placing of responsibility on the Treasurer or Accounting Warden in being the only one to have

access to your securities not only seems unsafe, but places a responsibility on him greater than seems reasonable. May we suggest that you carefully consider this matter and kindly advise your conclusions for our record.

Annual Physical Count of Securities

Some Parishes do not have an annual physical count of securities, and we suggest that an annual physical count of securities be a regular procedure.

The auditor whom you employ to audit your accounts might be asked to be present when the physical count is made and make it a part of his audit. Kindly further advise.

Remarks

It is the thought of the Committee that the *Account* should stand in the name of the Church or organization, and that all checks should bear *two* signatures.

This Committee is only endeavoring to suggest a tightening of safeguards as will result in greater security, and offers its friendly co-operation to all Parishes.

Sincerely yours,

Sub-Committee of the Department of Finance on Financial Safeguards.

ROBERT BELLEVILLE, 3RD,
CHARLES FRIZZELL
SPENCER ERVIN, *Chairman.*

Financial Secretary.

APPENDIX O

Report of the Committee on Missions and Missionaries

The Committee was directed to consider and report upon two matters:

1. The status of Missions and Missionaries.
2. The question of giving Missions a vote in the Convention.

1. The Committee finds that there exists a strong feeling among the Clergy and Laity of the Missions of the Diocese that calling those enterprises of the Church in this Diocese in which they are engaged "Missions" gives the public the impression that the work and worship carried on in them are of less dignity and importance than similar work and worship in Parishes; in a word, they believe that such ideas have become associated with the word "Mission" in the popular mind that its use in connection with any congregation of the Church, or their place of worship, tends to repel rather than attract the public. The Committee also finds that there exists in the same circles an equally strong conviction that the use of the word "Missionaries" to designate the Clergy in charge of Missions has come, rightly or wrongly, to indicate to the people of the Diocese, both within and without the Missions, that such men are probably of less ability and standing in the Church than the Parochial Clergy, and that consequently the position of the Missionaries with their own people is not that which it would be if they were not so designated.

It may be argued with some force that these feelings are unreasonable and unjustified. But that they exist and, in some cases, amount almost to obsessions, is certain. If people feel, they feel, and to argue with them that they ought not to feel

is usually worse than useless. On the other hand, if it is possible, without loss, to remove the causes of their feeling it is the part of wisdom and Christian consideration to do so. The Committee believes that this may be accomplished in regard to both of these matters by ceasing to use in any public way the word "Mission" to describe those congregations, and their places of worship, which are supported by the Executive Council, and recommends that they be known and spoken of in all ways which come to the public eye, as "Churches," which is, of course, what they are, just as truly as are the congregations and church buildings of Parishes. The Committee also proposes that the word "Missionary" shall no longer be used, but, instead, the term, "The Bishop's Vicar."

Such a description of the Priest-in-charge of a Mission has the advantage of stating exactly what he is, for the Bishop is really in charge of every Mission congregation, and the Clergyman he appoints to it is his representative. And it has the additional advantage of being a dignified title and one that would constantly remind the people that the Clergyman represents the Bishop to them and acts with his authority.

For the purpose of bringing about the above changes, should they commend themselves to the mind of the Convention, the Committee suggests the adoption of a Resolution and of two slight amendments to the Canons.

RESOLUTION

"RESOLVED, That the Convention directs that in the JOURNAL, and recommends that on Church notice boards and in similar instances of publicity, the word 'Mission' be not used, and that the congregations and places now known as Missions be designated as Churches, and described by their names and locations."

To illustrate: instead of "St. Stephen's Mission, Clifton Heights," we would have, in the JOURNAL, and on a notice board or parish paper, "St. Stephen's Church, Clifton Heights." The fact that it is not a Parish would appear from the designation of the Ministers as "The Bishop's Vicar," rather than as

Rector. The words "Mission" and "Missions" would still be used in the Canons and in resolutions of the Convention and Executive Council as convenient and familiar terms to describe the relation of those congregations to the Diocese.

If the Convention so wills, the use of the words "Missionary" and "Missionaries" would be terminated by the adoption of two amendments to Canon VIII, Section IV, paragraph 1. That paragraph reads: "All Missionaries shall be appointed by the Bishop, and may at any time be removed by him, or be appointed to other work." The Committee recommends that that paragraph be amended so as to read, "The Clergy in charge of Missions shall be appointed thereto by the Bishop, and may at any time be removed by him, or appointed to other work." The title of a Clergyman so appointed shall be, "The Bishop's Vicar at ——— Church, ———."

The Committee also recommends the adoption of the following amendment to the Canons: "Wherever in the Canons the words 'Missionary' or 'Missionaries' occur there be substituted for them 'Bishop's Vicar' or 'Bishop's Vicars,' as the case may be."

STATUS OF MISSIONS IN THE CONVENTION

When, on May 24th, 1785, in Philadelphia, it was decided that there should be a Convention of the Protestant Episcopal Church in the State of Pennsylvania, each congregation therein was invited to send a Deputy or Deputies, and each congregation so represented in the Convention was to have one vote irrspective of size or financial ability. But so far, for one reason or another, have we departed from that original plan that we find in this Diocese approximately 141 congregations called "Parishes," and described as being "in union with the Convention"; 48 congregations known as "Missions"; 12 congregations connected with Parishes and called "Parochial Missions" or "Chapels," and 5 unattached Congregations. Of all of these 206 Congregations only the 141 Parishes compose the

Convention of the Diocese and they, and they only, with the Clergy of the Diocese, elect the Bishops of the Diocese, choose the men to represent it in the General Convention and adopt Canons for the government of the Church in this Diocese.

Practically outside, and without their Laity having any voice in Diocesan affairs, are 7,000 Communicants in "Missions," besides several more thousands in the Chapels. The Missions have no vote in the Convention because they do not meet two requirements for admission thereto, they are not legal entities, that is, they are not incorporated, and they are not entirely self-supporting. This practically means that admission to the Convention and the privilege of having some part in Diocesan affairs is a matter of money. On the other hand if congregations once admitted to membership in the Convention should cease to be self-supporting, as is the situation at present in some twenty-one Parishes which are being aided from the Sustentation Fund, they nevertheless retain all the privileges of membership, even though, if they were not in and tried to get in, they could no more do so than can the Missions. The Committee submits that these conditions constitute a serious departure from the original plan of 1785, and are essentially undemocratic, contrary to the genius of the Church and unchristian, and that we cannot expect the Communicants of the Diocese to be a happy family so long as such inequalities exist, and to remedy the worst of them submits the following Amendments to the Constitution which, if approved this year, will come up for final action next year.

AMENDMENTS TO THE CONSTITUTION

Amend Article IV of the Constitution by inserting after paragraph 2 a new paragraph 3, and renumbering the succeeding paragraphs, to wit:

3. Each Organized Mission of this Diocese, reporting not less than fifty communicants, which has made a Parochial report and paid its assessment for the Episcopal Fund for the

preceding calendar year, may send to the Convention one Lay Deputy, chosen as may be provided for by Canon, who shall have all the rights of Parochial Deputies, and in an election or when the vote is by Orders the vote cast for such Mission so represented shall count as one vote in such election or vote by Orders.

Amend Article IV of the Constitution, present paragraph 3, by removing from the second line thereof the words, "Missions, or."

APPENDIX P

Report of the Commission on Music

To the 1937 Convention of the Diocese of Pennsylvania:

At the beginning of the Convention year the Commission elected Mr. Harold W. Gilbert as Chairman and the Rev. N. Herbert Caley as Secretary.

On the 23rd of May, 1936, a contest was held in St. James Church for the Volunteer Choirs of the Diocese, in which eight choirs competed for a plaque given by Bishop Taitt and presented by him to the choir of St. Mark's Church, Frankford, the winner of the contest, to be held by that choir for one year. Plans are under way for another contest on the 12th of June of this year. A large congregation showed great interest in this contest.

During the fall and winter of the convention year just passed another series of conferences was held for clergy, choirmasters and organists, and others interested in the subject of Church music. Many of the parishes and missions were represented in the registrations received.

As was mentioned in the report presented to the Convention of 1936, the Commission is considering plans for certain activities at the forthcoming General Convention of the Church. These activities are being carried out with the approval and consent of the Joint Commission on Music appointed by General Convention. They have been brought to the attention of this body at another time as the special order of the day. We feel that the Commission has been singularly honored in this by the Joint Commission.

In concluding its report the Commission offers the following resolution:

RESOLVED, That the Commission on Music be continued, and that the Commission be empowered to fill vacancies, and to add to its members.

N. HERBERT CALEY,
Secretary.

APPENDIX Q

Report of Committee On Memorial to Bishop Garland

Your Committee on the Memorial to Bishop Garland begs to report as follows:

During the past year, the Committee has received, informally, a number of suggestions relating to the establishment of such a Memorial. The Committee has considered one or two of these suggestions with deep and sympathetic interest. It has not been able to take any definite action in the matter for two reasons:

The most important and appealing of the proposals was one still in the stage of preliminary discussion between several groups in the Diocese.

Secondly, every proposal thus far made relating to the establishment of a Memorial has involved raising considerable sums of money. For obvious reasons, which have been pointed out in previous reports, the Committee has taken the position that it would be most inopportune, at a time when the Diocese faces an insistent demand for funds to meet primary obligations, to undertake a campaign for funds for the establishment of an adequate and fitting Memorial.

However, the Committee is also keenly aware of the fact that if it is to discharge the duty laid upon it within the limits of any reasonable and proper time, something must be done in the very near future. We hope that it will be possible during the coming year for us to meet our responsibility in the matter.

Respectfully submitted for the Committee,

J. M. Collins,
Chairman.

APPENDIX R

Report of Committee on the 150th Anniversary of the Consecration of Bishop White and Bishop Provoost

Your Committee as originally appointed and subsequently enlarged by the Bishop consists of: The Revs. E. M. Jefferys, L. C. Lewis, J. A. Montgomery, H. M. Stuckert, G. H. Toop, F. L. Vernon; the Messrs. E. O. Coates, W. H. DuBarry, S. F. Houston, C. C. Morris, L. J. Morris, W. I. Rutter, S. H. Warnock. The Committee promptly organized and held numerous meetings through the year. We record with happiness that we had in our counsels the Rector of St. Peter's and also the Rector of Christ Church as honorary adviser, being most fortunate to secure their invaluable aid before their immediate subsequent retirement from their respective cures. An early proceeding was to establish co-operation with the Diocese of New York equally a partner with this Diocese in the Celebration. In New York City, on the morning of the Anniversary, there was a Service held in St. Paul's Chapel, when our colleague, the Rev. Dr. Lewis, was the Preacher. Later in the day a number of eminent New York Churchmen came on to Philadelphia to participate in our program.

Our Celebration, on February 4th, consisted of Services at St. Peter's Church in the morning and Christ Church in the evening. At the former Service the Presiding Bishop, the Right Rev. Dr. Perry (who honored us with his presence throughout the day) was the Celebrant, and our own Diocesan the Preacher. At the Evening Service short addresses were made by the Presiding Bishop and the Right Rev. Dr. Manning, of New York, and the Historical Address was delivered

by the Rev. Walter H. Stowe, President of the Church Historical Society.

Luncheon and Supper were provided for our out-of-town guests, including the representatives of the institutions of the National Church, of the Diocese of New York and the Dioceses which formed part of Bishop White's jurisdiction, as also of the Parishes existent in this territory at the time of the Consecration; also we were honored with the presence of representatives of eight notable Philadelphia institutions of learning and philanthropy with which Bishop White was intimately connected. The Luncheon at St. James's Parish House was hospitably arranged for by the Churchwoman's Club, followed by brief addresses from the President of the University of Pennsylvania, the President of the Pennsylvania School for the Deaf, the President of the Board of Missions, and representatives of the General Theological Seminary and the Episcopal Academy. In the evening the Church Club of the Diocese hospitably provided Supper in the Hall of the American Philosophical Society, a privilege the Council of the Society graciously granted us. On this occasion a short address was given by the President of the Society. To these representatives of the National Church and of Dioceses and Parishes, of Institutions within and without the Church, to the organizations which entertained us, and to the efficient help of the staff of the Church House, our warm thanks are rendered.

Our colleague, Mr. Houston, as Treasurer, but on his own generous initiative, undertook a subscription for actual and potential expenses, and has secured—mostly by gifts of $5.00—the sum of $718.50. Of this $175.50 has been spent on the expenses of the Celebration, and thus without any cost to Convention funds, leaving a balance of $543.00. It was early recognized that steps should be taken towards publication of the Proceedings here and in New York and also of much fresh historical material that has recently come to light. A notable quarterly part of the *Historical Magazine*

of the P. E. Church, for March, 1937, edited by the Rev. Dr. E. Clowes Chorley, Historiographer of the Church, has devoted the 186 pages of "The Bishop White Number" to various phases of the Bishop's times and activities, along with much unpublished material. A larger undertaking is now in process, under the editorship of the Rev. Walter H. Stowe, to reprint this material, adding to it the Proceedings of the Celebration in New York and Philadelphia, and a valuable lot of unpublished manuscript letters of Dr. White, in a volume of over 300 pages, which will appear promptly as a publication of the Historical Society from the house of the Morehouse Company. Our Treasurer has paid over the balance of funds to the Treasurer of the Church Historical Society, and with this our Committee has concluded its duties.

Respectfully submitted,

JAMES A. MONTGOMERY,
Chairman.

APPENDIX S

Report of the Commission on Evangelism

During the past year the Commission has curtailed its activities in order to avoid any overlapping with the Forward Movement. The only work undertaken by the Commission was the Preaching Mission held on Thursday evenings during Lent at the Church of The Holy Trinity. The Commission desires to express its gratitude to the Rector and Vestry of the Church of The Holy Trinity for making these services possible.

The Commission also desires to recommend the Retreats to be held this year by the Retreat Association at the Holiday House of the Church of The Holy Trinity at Sellersville. Again gratitude is due to the Rector, Mr. Weir, to Mr. Huggins, and to the Vestry of the Church of The Holy Trinity for their generosity and hospitality. There is evident an increased interest in the Retreat Movement which is of great importance for the evangelistic work of the Church.

J. K. Shryock,
Chairman.
